RE: H&O Food Sales, Inc.  
59-1206529

Please find enclosed the Profit Corporation Annual Report for the above-referenced corporation. Also enclosed is a check in the amount of \$550.00, as requested in your Second Notice received this month.

The reason for this letter is to protest the outrageous delinquent fees that are being assessed against corporations who, inadvertently or by oversight, do not file the required report by the due date as determined by Florida Statutes.

The report for the above-referenced corporation was prepared timely and was inadvertently laid aside which was not discovered until receipt of the Second Notice from your office.

We would appreciate any consideration for the abatement of any portion of this penalty.

Sincerely,

Joseph B. Tedder, CPA

RE: Delinquent Fees

Dear Paula:

I think you and I discussed this previously and I was under the impression that some consideration was also being given to changes in the Statute as they regard to the penalties for late filing of the Profit Corporation Annual Report.

I think this is extremely unfair and, in fact, is a "disguised method of increasing taxes", to assess a 266% penalty for being two month's late in filing the Annual Report when it's an oversight on the part of the taxpayer.

Would you please give this some consideration for the next Legislature?

Sincerely,

Joseph B. Tedder, CPA
