ARTICLES OF INCORPORATION

of

McRAE PLASTERING, INC.

The undersigned subscribers to these Articles of Incorporation, each a natural person competent to contract, hereby associate themselves together to form a corporation under the laws of the State of Florida.

ARTICLE I

The name of this corporation is:

McRAE PLASTERING, INC.

ARTICLE II

The general nature of the business to be transacted by this corporation is the contracting, building and development of any and all kinds of houses, buildings, factories for repairs, alterations and improvements. In addition, the corporation shall have the following powers:

1. To conduct and carry on the business of builders and contractors for the purpose of building, erecting, altering, repairing or doing any other work in connection with any and all classes of building and improvements of any kind and nature whatsoever, including the building, rebuilding, alteration, repairing or improvement of houses, factories, buildings, works or erections of every kind and description whatsoever, including the building, rebuilding, locating, laying out and constructing of roads, avenues, docks, slips, sewers, bridges, wells, walls, canals, railroads or street railways, power plants and generally in all classes of buildings, erections and works, both public and private or integral parts thereof, and generally to do and perform any and all works as builders and contractors, and with that end in view, to solicit, obtain, make, perform and carry out contracts covering the building and contracting business and the work connected therewith.

2. To manufacture, buy, sell, trade and deal in all and every kind of material, product, manufactured or unmanufactured, iron, steel, wood, brick, cement, granite, stone and other products and materials, including the quarrying of stone; to buy, acquire, hold, use, employ, mortgage, convey, lease and dispose of patent rights, letters, patent, processes, devices, inventions, trademarks, formulas, good will and other rights; to take, acquire, buy, hold, own, maintain, work, develop, sell, convey, lease, mortgage, exchange, improve and otherwise deal in and dispose of real estate and real property or any interest or rights therein without limit as to the amount; to lend money on bonds secured by mortgages and real property and to make advances from time to time on bonds secured by mortgage for future advance on real estate, but nothing set forth herein shall give or be construed to give said corporation any banking powers.

3. To buy and sell all kinds of merchandise, material and machinery and to carry on a general merchandise business of buying and selling; to act as manufacturers' and other agents in the buying and selling of all kinds of articles, both manufactured and unmanufactured and in process of manufacture; to import and export all kinds of goods and materials to foreign countries, as well as to sell all kinds of goods in the United States; to manufacture all kinds of machinery, merchandise and materials; to take contracts for the erection and repair of buildings; to do all kinds of work and supply all kinds of materials in the building or repair of all kinds of buildings; to buy and sell on commission all classes and kinds of goods, wares and merchandise and to own and hold the stock of other business corporations and to finance other business enterprises; to manufacture, buy, sell, import and export and deal and trade in manufacturers' and mill supplies, engines, boilers, machinery, tools, machine shops and electrical supplies and appliances, foundry and factory supplies a

hardware of all kinds

4. This corporation shall also be empowered to establish and maintain research laboratories for the purpose of conducting research for itself or other persons, firms or corporations in connection with agricultural products, industrial devices and processes, chemicals and synthetics, and to employ the necessary personnel to carry on the aforementioned research, with full power and authority to apply for and prosecute applications for trademarks, trade names, design, mechanical or process patents in the name of this corporation, with the right to sell, assign or otherwise dispose of said rights or to grant licenses or franchises thereunder, and, in fact, to do any and all things which a research organization may do in connection with its activities.

5. To engage in the business of manufacturing wood and metal home, office, hotel, business and club furniture, fixtures, cabinets and any and all types of furniture and fixtures found in homes, offices, business, hotels, and clubs, including all component parts and materials of every nature and description used or manufactured in connection therewith; to process, deal in, manufacture, install, store, handle, transport or otherwise work in or with building materials of all kinds, including lumber, roofing insulating materials, plaster, wall, tile, ornamental and other boards, brick, concrete, structural steel, re-enforcing steel, glass, stone, pottery, tile, lighting fixtures, hardware, bathroom fixtures, plumbing supplies, electrical supplies, cements and plasters, stucco, stone and gravel, resinous waxes, textiles, incinerators, cesspools and septic tanks, fencing, wiring and staples, water-proofing materials, rubber, linoleums, carpets, builders' tools and machinery and any and every other material, appurtenance, or process useful in, necessary for, or convenient in building, construction and maintenance.

6. To manufacture, purchase, import or otherwise acquire, sell, rent, repair, take upon storage, exchange, export and otherwise deal in and dispose of any or all of the following: motors, engines, or other machinery or contrivances for the generation of steam, electricity, gasoline or other forms of power now known or which may be hereafter discovered; automobiles,

cars, trucks, carriages, wagons, boats, airplanes and airships, and vehicles of every kind and description for the transportation of passengers or goods; machinery, machine supplies, and engineering appliances, hardware, tools, parts, batteries, self-starters, magnetos, igniters, tires, rims, wagon and carriage bodies and all other accessories, apparatus, and appliances; and fuel, oils, and other materials useful in connection with the ownership, use, or enjoyment of any of the above.

7. To have all of the general and special powers of corporations incorporated under the laws of Florida and any and all powers incidental to or connected with any of the foregoing businesses.

### ARTICLE III

The maximum number of shares of stock that this corporation is authorized to have outstanding at any one time is fifty shares without nominal or par value, all of which shall be common stock and shall be fully paid and non-assessable. All such stock shall be payable in cash, property, labor or services at a just valuation to be fixed by the Board of Directors at a meeting called for that purpose.

### ARTICLE IV

The amount with which this corporation shall begin business shall not be less than Five Hundred Dollars (\$500.00). The capital stock may be paid in lawful money of the United States in whole or in part; or, if the Board of Directors shall so determine, may be paid in property, labor or services at a just valuation thereof to be fixed by the Board of Directors at a regular meeting of the Board of Directors or at a meeting called for such purpose.

### ARTICLE V

This corporation is to exist perpetually.

### ARTICLE VI

The initial post office address of the principal office of this corporation in the State of Florida is: *9050 N.E. 8<sup>th</sup> Avenue*

## ARTICLE VII

This corporation shall have three directors initially. The number of directors may be increased or diminished from time to time by by-laws adopted by the stockholders, but shall never be less than three.
