Attention: Sean Toner, Administrator

Following my telephone conversation with a Representative from the Division of Corporations I am writing this letter as recommended. to the attention of Mr. Toner.

I have two corporations, Cherry Miller's Café, LLC and Theorem Corporation. I have been filing on line for both corporations since 2001 with no problems. Last year (2004) I thought I did the same. However, when I only received a notice to file my annual report for Cherry Miller's Café, LLC I checked my records. I have a receipt with a tracking number for the transaction (400032512424) so I thought maybe the card and been lost by the Post Office because we had a lot of mail destroyed by the hurricanes. When I filed for Cherry Miller's this year everything went as usual but when I attempted to file for Theorem I was given a message that my corporation had been dissolved.

The Division of Corporation's representative told me to download the reinstatement form and send it in with last years' fee and this years' fee for a total of \$300. Please let me know if there is anything else I need to do.

Sincerely,

Susan A. Thomasson
President
Theorem Corporation
