2001 UNIFORM BUSINESS REPORT (UBR)

General Technology, Inc. sold only the assets of the company to Superior Modular Products in 1999. We, the owners, retained the corporate stock with the hope of sharing in the profits as part of our agreement with Superior Modular Products. However, Superior Modular has fallen on hard times and has decided to close their General Technology Division of Superior Modular Products the end of June 2001. We the owners, had planned to close General Technology, Inc. this year; however, we now have decided to keep General Technology, Inc. open until a determination can be made as to the best course to take.

After speaking with one of your representatives today, she recommended that we should submit our \$150.00 UBR filing fee with a letter of explanation of why we were late in filing. This additional time will give us an opportunity to sort what course to take in the future.

Thank you,

Margaret O. Boucher
