Re: Filing of Annual Report
Corporate Document #: 451382
Date of Incorporation: 5/23/74

Dear Ms. Mortham;

I am writing to ask that you accept the enclosed Annual Report as being filed on time. On July 21, 1997, we received a document named "2d Notice" from your department informing us that we were late in filing our annual report. We never received any notification or correspondence before this letter informing us the annual report was due. The "2d Notice" document was the first notification we received from the Division of Corporations pertaining to this matter.

We have been incorporated in Florida since 1974 and for 22 years we have complied with the filing requirements without mishap or penalties for late filings. We would have promptly filed the required report as we always have if we had received any prior notification or letters. Thus, we would ask that you kindly take notice of our long standing compliance and accept the enclosed report as timely filed under these circumstances. We simply did not receive any prior notice that the report was due. We are a small family operated business and the additional penalty filing fee would constitute a burden upon our finances. Please find enclosed is a check for the customary filing fee, plus \$8.75 for the Certification of Good Standing.

Thank you for your attention to this important matter. Please contact me at the above referenced telephone number if I can provide additional information. I look forward to your response.

Sincerely,

Mabel Lea Hudmon
President
