To Whom it may concern:

I have just received the form for Corporation Filing which says " second notice".

This is the first notice I received for this year. I would like to request a waive of the penalty, due to the fact I never received the first notice.

As you can see from our past history we have always sent this payment in early in the past, usually by the first part of March.

Thank you for your consideration.

A handwritten signature in cursive script, appearing to read "Judi Baukema".
