To Whom It May Concern:

Enclosed is our annual report for 1999 with our check #3059 for the \$150.00 filing fee. We realize this payment is late and would like to explain why it happened this year.

If you will review our promptness in filing these reports dating back to 1977, I believe you will find this is the first time we have ever been late. And the reason for the delay is that we have recently moved our business to North Carolina, and so much is still in boxes! Moving is a stressful time and certain things we normally tend to promptly just seemed to disappear into boxes to be unpacked at the destination. That is what happened to this report. I am very embarrassed to say that I just found this overdue report, and I ask your forgiveness this time. I promise you this will not happen again.

Thank you very much for your consideration.

Sincerely,

Richard W. Hunt
President
