Re: Late Filing of 2001 Uniform Business Report

We are enclosing our completed Uniform Business Report for the year 2001 along with a check in the amount of \$550.00 which covers late filing fees.

We wanted to explain why we are late in filing the form. To date, we did not receive the form that was mailed by the Department of State. We do not know the reason why we did not receive it, but we have gone through a management change which contributed to the oversight in not realizing that the report was not submitted for year 2001.

As you can tell from our past payment history, this is the first time we have been late. I had to download the form from your website in order to submit it.

I hope you will understand why it was not submitted on a timely basis and please make sure our corporation is not deleted from the rolls of the Department of Corporations.

Thank you for your understanding and assistance.

Yours truly,

John M. Checchia
