Upon motion duly made, seconded and carried the following resolutions were unanimously adopted by all of the directors and shareholders of the Corporation:

RESOLVED: That the total number of shares authorized to be issued by the Corporation is 10,000, of which 5,000 shares shall be "Class A voting common stock" without nominal or par value, and 5,000 shares shall be "Class B nonvoting common stock" without nominal or par value.

The holders of the Class B nonvoting common stock shall not be entitled by reason of their holdings to any voice or vote in the management or affairs of the corporation. The voting power shall be confined to the holders of Class A voting common stock. Except as provided with respect to voting, there shall be no distinction between the two classes of stock; and

FURTHER RESOLVED: That each share of the Corporation's outstanding common stock be exchanged for one share of the Corporation's Class A voting common stock and one share of the Corporation's Class B nonvoting common stock and in effectuating such exchange each outstanding certificate of shares of the Corporation's common stock shall at the "effective date" then represent the same number of share of Class A voting common stock of the Corporation, and accordingly, will not have to be surrendered for exchange and that the "effective date" shall be 5:00 p.m., eastern standard time, December 18, 1998; and

FURTHER RESOLVED: That the number of directors of the Corporation shall be no less than one (1) nor more than five (5) as shall be from time to time determined by the Board of Directors. The Board of Directors shall presently consist of two (2) Directors; and
