Tố Whom It Mãy Concern:

This letter is in response to our phone conversation a couple weeks ago wherein we talked about the problem with filing our 2004 report sited above. This problem exist because of the following:

- 1. We did not receive our original notification. . A check in the amount of 150.00 was sent in order to satisfy our requirement.
- : 2. This did not satisfy your office and a copy was sent to me with instruction to sign and return; this was done right away.
- 3. We received another letter dated August 20, with other demands. At that point I called your office and was advised to write a letter outlining the problem.

I was advised that if I did not receive the original 2004 Annual Report that I would not Be subject to penalty for failure to file or late filing.

If you required an original 2004 annual report be filed, please provide to my office and I will-be happy to comply-

If I can help you further please let me know.

Sincerely;

Roger Napier, President
