I am writing this letter because of late filing for the annual "Profit Corporate Uniform Business Report (UBR).

I was unable to file the document because during the period April Through July 24 I was suffering from arthritis and was taking medicine and in and out of rehab and finally had to have the shoulder replaced. Murphy law was working well because I developed a pulmonary embolism which sent me over to the cardiac section at St Anthony's Hospital.

I was released from the hospital on June 25 2004.

I would ask that I relieved of any penalty on the above report
I hope I filled out the report correctly.

Albert B. Hunter III

Reply to your letter of August 5, 2004 signed "rg Annual Reports Section :
I do not agree that I sent a check for \$100.00 the check stub that I have is for \$150.00 . I shall have to wait for my bank statement to see the cancelled check.

I have called the bank and they say that I set the figure at \$150 but that the written amount said \$100 Therefore I do owe the difference of \$50.00.

I did not receive the first notice you say you sent to me. I do not know why but I found in the mail I had held for me while I was in the hospital did have latter date. So the best I could do was what I tried to do in my first attempt to take care of the filing.

I am assuming the form you sent back to me was correctly filled out. Therefore I am returning it with a second check in the amount of \$50.00 .

I am requesting that you waive the penalty since I did not receive the first notice I responded as soon As I found I had not filed.

Your little card that about the penalty stated that a legitimate reason would be sufficient I believe that since the first card notice was never received by me to be sufficient.
