PORPOISE POOL & PATIO, INC.

**ARTICLES OF AMENDMENT TO
ARTICLES OF INCORPORATION**

Porpoise Pool & Patio, Inc., a Florida corporation, adopts these Articles of Amendment to its Articles of Incorporation:

FIRST: Article III of the corporation's Articles of Incorporation is amended entirely to read as follows:

**ARTICLE III
CAPITAL STOCK**

The maximum number of shares of capital stock that the corporation is authorized to issue and have outstanding at any time is 200,000 shares of common stock, divided into 100,000 shares of voting common stock and 100,000 shares of non-voting common stock. The corporation is not authorized to issue fractional shares of its voting common stock or non-voting common stock.

The corporation's Board of Directors shall determine the consideration to be received by the corporation for the issuance of each share of the corporation's voting common stock and non-voting common stock, which may consist of any tangible or intangible property or benefit to the corporation, including cash, promissory notes, services performed, other securities of the corporation, or promises to perform services for the corporation that are evidenced by a written contract, with a value in each case that, in the judgment of the Board of Directors is adequate. The corporation has the right to purchase or otherwise acquire shares of its own common stock to the extent provided by law, its bylaws, these articles of incorporation, or any agreement duly executed by the corporation. Each share of common stock that is repurchased by the corporation will be issued, but not outstanding, until cancelled or disposed of by the corporation. Each share of voting common stock and non-voting common stock issued by the corporation is subject to any stock transfer restrictions in its bylaws.

The voting common stock and non-voting common stock participate in all dividends declared by the corporation's Board of Directors and have the same preferences, limitations, and relative rights, except that the non-voting stock does not have any voting rights except to the extent that voting rights are mandated for those shares by the Florida Business Corporation Act.

SECOND: When these Articles of Amendment become effective, each share of the corporation's common stock, \$1.00 par value, will automatically be converted and reclassified into 1/10 of one share of voting common stock and 9/10 of one share of non-voting common stock for each share of the corporation's common stock owned by the shareholder. Immediately after these Articles of Amendment become effective, the corporation may issue to each shareholder of record on the execution date of these Articles of Amendment certificates evidencing the voting common stock and non-voting common stock into which the outstanding shares have been converted, on surrender of, and in exchange and substitution for, the certificates evidencing shares of the corporation's common stock, \$1.00 par value, registered in the shareholder's name.

THIRD: The foregoing amendment to the Articles of Incorporation of the corporation were adopted and approved on the date when these Articles of Amendment were executed, by unanimous written consent of all the shareholders and the sole director of the corporation, and the number of votes cast for the amendment by the shareholders was sufficient for approval.

FOURTH: The foregoing amendment will be effective when these Articles of Amendment are accepted for filing with the Department of State of Florida.
