I have been trying to process the annual Report On line for 2 hrs - The system will not allow me to process this report on line nor will it allow me to change the information on the report to file it manually. Therefore I am sending in the request from the system and making the changes Manually (which is only the address). That is the only thing I can do. I have called for tech support (850) 245 6939 5 times and it is busy. There the updated report with \$150.00 is enclosed.
