## EXHIBIT A

### CERTIFICATE OF DESIGNATION OF SERIES A PREFERRED STOCK OF TIE TECHNOLOGIES INC.

Pursuant to the authority conferred upon the Board of Directors of TIE TECHNOLOGIES INC., a Florida Corporation (the "**Corporation**"), and by the Florida Business Corporations Act, the Board of Directors of the Corporation (the "**Board**") on February 18, 2020 adopted by resolution the following terms, conditions and designations of the Series A Preferred Stock. Such preferred stock shall contain the following terms, powers, preferences and rights:

Ten Million (10,000,000) shares of the authorized Preferred Stock of the Corporation are hereby designated "**Series A Preferred Stock**" with the following rights, preferences, powers, privileges and restrictions, qualifications and limitations.

#### 1. Dividends.

The holders of the Series A Preferred Stock shall be entitled to any dividend that is payable to the holders of the Corporation's Common Stock. The holders of the Series A Preferred Stock then outstanding shall first receive, or simultaneously receive, a dividend on each outstanding share of Series A Preferred Stock in an amount at least equal to (i) in the case of a dividend on Common Stock or any class or series that is convertible into Common Stock, that dividend per share of Series A Preferred Stock as would equal the product of (A) the dividend payable on each share of such class or series determined, if applicable, as if all shares of such class or series had been converted into Common Stock and (B) the number of shares of Common Stock issuable upon conversion of a share of Series A Preferred Stock, in each case calculated on the record date for determination of holders entitled to receive such dividend.

#### 2. Liquidation, Dissolution or Winding Up; Certain Mergers, Consolidations and Asset Sales.

2.1 Mandatory Conversion on Liquidation Events. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation or Deemed Liquidation Event, each share of Series A Preferred Stock shall automatically be converted into shares of Common Stock at the then applicable conversion rate determined in accordance with Section 4.1.

#### 2.2 Deemed Liquidation Events.

2.2.1 Definition. Each of the following events shall be considered a "**Deemed Liquidation Event**" unless the holders of more than 50% of the outstanding shares of Series A Preferred Stock elect otherwise by written notice sent to the Corporation at least 3 days prior to the effective date of any such event:

- (a) a merger, consolidation or share exchange in which:

(i) the Corporation is a constituent party or

(ii) a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation.

except any such merger or consolidation involving the Corporation or a subsidiary in which the shares of capital stock of the Corporation outstanding immediately prior to such merger or consolidation continue to represent, or are converted into or exchanged for shares of capital stock that represent, immediately following such merger or consolidation, at least a majority, by voting power, of the capital stock of (1) the surviving or resulting corporation or (2) if the surviving or resulting corporation is a wholly owned subsidiary of another corporation immediately following such merger or consolidation, the parent corporation of such surviving or resulting corporation; or

(b) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where such sale, lease, transfer, exclusive license or other disposition is to a wholly owned subsidiary of the Corporation.

2.3 Notice and Closing of Liquidating Event. All holders of record of shares of Series A Preferred Stock will be given at least 10 days prior written notice of the date fixed for mandatory conversion of the Series A Preferred Stock and the event causing the mandatory conversion of the Series A Preferred Stock into Common Stock. On or before the date so fixed for conversion, each holder of shares of Series A Preferred Stock shall surrender the certificate or certificates for all such shares to the Corporation at the place designated in such notice and shall thereafter receive certificates for the number of shares of Common Stock to which such holder is entitled. The mechanics for conversion and other provisions relating to conversion of Series A Preferred Stock into Common Stock set forth elsewhere in this Designation shall apply to the mandatory conversion of the Series A Preferred Stock.

### 3. Voting.

3.1 General. On any matter presented to the shareholders of the Corporation for their action or consideration at any meeting of shareholders of the Corporation (or by written consent of shareholders in lieu of meeting), each holder of outstanding shares of Series A Preferred Stock shall be entitled to cast the number of votes equal to the number of whole shares of Common Stock into which the shares of Series A Preferred Stock held by such holder are convertible pursuant to Section 4.1 hereof, as of the record date for determining shareholders entitled to vote on such matter. Except as provided by law or by the other provisions of the Articles of Incorporation, holders of Series A Preferred Stock shall vote together with the holders of Common Stock as a single class.

3.2 Series A Preferred Stock Protective Provisions. At any time when shares of Series A Preferred Stock are outstanding, the Corporation shall not, either directly or indirectly by amendment, merger, consolidation or otherwise, do any of the following without (in addition to any other vote required by law or the Articles of Incorporation) the written consent or affirmative vote of the holders of more than 50% of the then outstanding shares of Series A Preferred Stock, given in writing or by vote at a meeting, consenting or voting (as the case may be) separately as a class, and any such act or transaction entered into without such consent or vote shall be null and void *ab initio*, and of no force or effect.

3.2.1 liquidate, dissolve or wind-up the business and affairs of the Corporation, effect any merger or consolidation other than a Deemed Liquidation Event, or consent to any of the foregoing;

3.2.2 amend, alter or repeal any provision of the Articles of Incorporation or Bylaws of the Corporation in a manner that adversely affects the powers, preferences or rights of the Series A Preferred Stock;

3.2.3 create, or authorize the creation of, or issue or obligate itself to issue shares of, any additional class or series of capital stock unless the same ranks junior to the Series A Preferred Stock with respect to the distribution of assets on the liquidation, dissolution or winding up of the Corporation, the payment of dividends and rights of redemption, or increase the authorized number of shares of Series A Preferred Stock or increase the authorized number of shares of any additional class or series of capital stock unless the same ranks junior to the Series A Preferred Stock with respect to the distribution of assets on the liquidation, dissolution or winding up of the Corporation, the payment of dividends and rights of redemption; or

3.2.4 (i) reclassify, alter or amend any existing security of the Corporation that is *pari passu* with the Series A Preferred Stock in respect of the distribution of assets on the liquidation, dissolution or winding up of the Corporation, the payment of dividends or rights of redemption, if such reclassification, alteration or amendment would render such other security senior to the Series A Preferred Stock in respect of any such right, preference or privilege, or (ii) reclassify, alter or amend any existing security of the Corporation that is junior to the Series A Preferred Stock in respect of the distribution of assets on the liquidation, dissolution or winding up of the Corporation, the payment of dividends or rights of redemption, if such reclassification, alteration or amendment would render such other security senior to or *pari passu* with the Series A Preferred Stock in respect of any such right, preference or privilege; or

3.2.5 create any class of shares that would have greater voting rights than the voting rights created pursuant hereto.

#### 4. Optional Conversion.

The holders of the Series A Preferred Stock shall have conversion rights as follows (the “**Conversion Rights**”):

#### 4.1 Right to Convert.

4.1.1 Conversion Ratio. Each share of Series A Preferred Stock shall be convertible, at the option of the holder thereof, at any time and from time to time, and without the payment of additional consideration by the holder thereof, into that number of fully paid and nonassessable shares of Common Stock (whether whole or fractional) equal to 100 shares of Common Stock.

4.2 Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of the Series A Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall round the number of shares issued to the nearest whole number. Whether or not fractional shares would be issuable upon such conversion shall be determined on the basis of the total number of shares of Series A Preferred Stock the holder is at the time converting into Common Stock and the aggregate number of shares of Common Stock issuable upon such conversion.

#### 4.3 Mechanics of Conversion.

4.3.1 Notice of Conversion. In order for a holder of Series A Preferred Stock to voluntarily convert shares of Series A Preferred Stock into shares of Common Stock, such holder shall surrender the certificate or certificates for such shares of Series A Preferred Stock (or, if such registered holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate), at the office of the transfer agent for the Series A Preferred Stock (or at the principal office of the Corporation if the Corporation serves as its own transfer agent), together with written notice that such holder elects to convert all or any number of the shares of the Series A Preferred Stock represented by such certificate or certificates and, if applicable, any event on which such conversion is contingent. Such notice shall state such holder's name or the names of the nominees in which such holder wishes the certificate or certificates for shares of Common Stock to be issued. If required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or his, her or its attorney duly authorized in writing. The close of business on the date of receipt by the transfer agent (or by the Corporation if the Corporation serves as its own transfer agent) of such certificates (or lost certificate affidavit and agreement) and notice shall be the time of conversion (the "**Conversion Time**"), and the shares of Common Stock issuable upon conversion of the shares represented by such certificate shall be deemed to be outstanding of record as of such date. The Corporation shall, as soon as practicable after the Conversion Time, (i) issue and deliver to such holder of Series A Preferred Stock, a certificate or certificates for the number of full shares of Common Stock issuable upon such conversion in accordance with the provisions hereof and a certificate for the number (if any) of the shares of Series A Preferred Stock represented by the surrendered certificate that were not converted into Common Stock and (ii) pay all declared but unpaid dividends on the shares of Series A Preferred Stock converted.

4.3.2 Reservation of Shares. The Corporation shall at all times when the Series A Preferred Stock shall be outstanding, reserve and keep available out of its

authorized but unissued capital stock, for the purpose of effecting the conversion of the Series A Preferred Stock, such number of its duly authorized shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding Series A Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Series A Preferred Stock, the Corporation shall take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite shareholder approval of any necessary amendment to the Articles of Incorporation. Before taking any action which would cause an adjustment reducing the Series A Conversion Price below the then par value of the shares of Common Stock issuable upon conversion of the Series A Preferred Stock, the Corporation will take any corporate action which may, in the opinion of its counsel, be necessary in order that the Corporation may validly and legally issue fully paid and nonassessable shares of Common Stock at such adjusted Series A Conversion Price.

4.3.3 Effect of Conversion. All shares of Series A Preferred Stock which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding and all rights with respect to such shares shall immediately cease and terminate at the Conversion Time, except only the right of the holders thereof to receive shares of Common Stock in exchange therefor, to receive payment in lieu of any fraction of a share otherwise issuable upon such conversion as provided in Subsection 4.2 and to receive payment of any dividends declared but unpaid thereon. Any shares of Series A Preferred Stock so converted shall be retired and cancelled and may not be reissued as shares of such series, and the Corporation may thereafter take such appropriate action (without the need for shareholder action) as may be necessary to reduce the authorized number of shares of Series A Preferred Stock accordingly.

4.3.4 No Further Adjustment. Upon any such conversion, no adjustment to the Series A Conversion Price shall be made for any declared but unpaid dividends on the Series A Preferred Stock surrendered for conversion or on the Common Stock delivered upon conversion.

4.3.5 Taxes. The Corporation shall pay any and all issue and other similar taxes that may be payable in respect of any issuance or delivery of shares of Common Stock upon conversion of shares of Series A Preferred Stock pursuant to this Section 4. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of shares of Common Stock in a name other than that in which the shares of Series A Preferred Stock so converted were registered, and no such issuance or delivery shall be made unless and until the person or entity requesting such issuance has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid.

#### 4.4 Adjustments to Series A Preferred.

4.4.1 Adjustment for Reclassification, Exchange and Substitution. If the Common Stock issuable on the conversion of Series A Preferred Stock shall be changed into the same or a different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, or otherwise, then and in each such event the holder of each share

of Series A Preferred Stock shall have the right thereafter to convert such share into the kind and amount of shares of stock and other securities and property receivable on such reorganization, reclassification or other change, by holders of the number of shares of Common Stock into which such shares of Series A Preferred Stock might have been converted immediately before such reorganization, reclassification, or change. Notwithstanding the foregoing, in the case of a reverse split of the Common Stock, the number of shares of Common Stock issuable upon conversion shall not be reduced and shall remain unchanged.

4.4.2 Sales, Reorganizations, Mergers or Consolidations. In case of any consolidation or merger of the Corporation with or into another entity, the sale, transfer or other disposition of all or substantially all of the assets of the Corporation to another person or the sale, transfer or other disposition of securities of the Corporation representing 50% or more of the combined voting power of the then outstanding securities of the Corporation (other than a consolidation, merger or sale treated as a Deemed Liquidating Event pursuant to Section 2 above), each share of Series A Preferred Stock shall thereafter be convertible into the kind and amount of shares of stock or other securities or property that a holder of the number of shares of Common Stock of the Corporation deliverable on conversion of Series A Preferred Stock would have been entitled on such consolidation, merger or sale; and in such case, appropriate adjustment (as determined in good faith by the Board of Directors of the Corporation) shall be made in the application of the provisions of Section 4, with respect to the rights and interest thereafter of the holders of Series A Preferred Stock, to the end that the provisions set forth in Section C.4, shall thereafter be applicable, as nearly as reasonably may be, in relation to any shares of stock or other securities or property thereafter deliverable on the conversion of Series A Preferred Stock.

4.4.3 Certificate of Adjustment. On the occurrence of each adjustment or readjustment of the Series A Conversion Price pursuant to this Section 4., the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms thereof and prepare and furnish to each holder of Series A Preferred Stock affected thereby a certificate setting forth such adjustment or readjustment and showing in detail the facts on which such adjustment or readjustment is based. The Corporation shall, on the written notice at any time of any holder of Series A Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (a) such adjustment or readjustment, (b) the Series A Conversion Price at the time in effect, and (c) the number of shares of Common Stock and the amount, if any, of other property that at the time would be received on the conversion of such holder's shares.

5. Acquired Shares. Any shares of Series A Preferred Stock that are acquired by the Corporation or any of its subsidiaries shall be automatically and immediately cancelled and retired and shall not be reissued, sold or transferred. Neither the Corporation nor any of its subsidiaries may exercise any voting or other rights granted to the holders of Series A Preferred Stock following acquisition.

6. Preemptive Rights. Holders of Series A Preferred Stock shall not have preemptive rights to acquire shares of stock or securities convertible into shares of stock issued by the corporation.

7. Waiver. Any of the rights, powers, preferences and other terms of the Series A Preferred Stock set forth herein may be waived on behalf of all holders of Series A Preferred Stock by the affirmative written consent or vote of the holders of more than 50% of the shares of Series A Preferred Stock then outstanding.

8. Notices. Any notice required or permitted by the provisions of this Article Fourth to be given to a holder of shares of Series A Preferred Stock shall be mailed, postage prepaid, to the post office address last shown on the records of the Corporation or given by electronic communication in compliance with the provisions of the Florida Business Corporations Act and shall be deemed sent upon such mailing or electronic transmission.

**IN WITNESS WHEREOF,** the Company has caused this Certificate to be duly executed on its behalf by the undersigned as of the date below

Date: February 18\_\_, 2020.
