All shares of Common Stock shall be identical with each other in every respect, and the holders thereof shall be entitled to one vote for each share of Common Stock upon all matters upon which the shareholders have the right to vote.

The holders of record of any outstanding shares of Preferred Stock shall be entitled to dividends if, when and as declared by the Board of Directors of the corporation, at such rate per share, if any, and at such time and in such manner, as shall be determined and fixed by the Board of Directors of the corporation in the articles of amendment authorizing the series of Preferred Stock of which such shares are a part. No dividends shall be declared and paid, or declared and set aside for payment, on the shares of Common Stock unless and until all dividends, current and accumulated, if any, accrued on the outstanding shares of Preferred Stock shall be declared and paid or a sufficient amount shall have been set aside for the payment thereof.

In the event of any voluntary or involuntary liquidation, dissolution or winding up of the corporation, the holders of record of the outstanding shares of Preferred Stock shall be entitled to receive such amount, if any, for each share of Preferred Stock, as the Board of Directors of the corporation shall determine and fix in the articles of amendment authorizing the series of Preferred Stock of which such shares of Preferred Stock are a part, and no more. No payment shall be made to the holders of shares of Common Stock of the corporation in the event of the voluntary or involuntary liquidation, dissolution or winding up of the corporation unless the holders of record of shares of Preferred Stock shall have been paid the full amount to which they shall be entitled in such event or unless a sufficient amount shall have been set aside for such payment.

Upon the effectiveness of any "combination," as such term is defined in Section 607.10025(1) of the Florida Business Corporation Act, the authorized shares of the classes or series affected by the combination shall not be reduced or otherwise affected by the percentage by which the issued shares of such class or series were reduced as a result of the combination.
