You will find attached my 2000 Uniform Business Report, along with a check in the amount of \$150.00.

I realized last week that I had not received a copy of this form for this year. I called a friend who suggested that I look up the status of my corporation on your web site. In doing so, I discovered that it had indeed not been paid.

I called your office and spoke to "Isellers" and told her that I had not received this form nor had I received a late notice for this year. She checked on it for me and said that the form had been sent but had been returned to your office for some reason by the post office. We did move to 313 Marsh Lakes Drive but we had filed the information so that all mail would be forwarded. I do not know why they did not forward this report nor why they returned it to your office.

As long as this corporation has been in business we have always filed this return in a timely manner. I simply was not aware that I had not filed this return since I had not received it.

Your representative sent me a blank form which I received today. She suggested that I write this letter and send it along with the return, asking that you accept the \$150.00 check in full payment for this return inasmuch as we never received the original return or the late notice.

Any consideration that you could extend would be greatly appreciated. I would also be interested in information concerning filing this return electronically.

Thank you,

Linda Kelly
