4. Article IV of the Articles of Incorporation is hereby amended in its entirety to read as follows:

ARTICLE IV - AUTHORIZED STOCK

1. Classes of Capital Stock. The total number of shares of capital stock which the Corporation is authorized to issue is ten million (10,000,000) shares of common stock, of which ten thousand (10,000) shall be shares of voting common stock, par value \$.01 per share (the "Voting Common Stock"), and nine million nine hundred ninety thousand (9,990,000) shall be shares of non-voting common stock, par value \$.01 per share (the "Non-Voting Common Stock"). The consideration for all of the above capital shall be payable in cash or property (tangible and intangible), at a just valuation to be fixed by the board of directors of the Corporation.

Except for the difference in voting rights, the Voting Common Stock and the Non-Voting Common Stock shall be the same in all other respects and shall have all the same rights and entitlements.

3. No Liquidation Preference Upon any liquidation, dissolution or winding up of the Corporation (either voluntary or involuntary), the assets of the Corporation available for distribution to its shareholders shall be distributed to the holders of the Voting Common Stock and the Non-Voting Common Stock, pro rata, on a per share basis without any preference to the holders of either class.
