Re: Non-receipt of Notice for Filing of Corporation Annual Report, and Reinstatement/Fees.- for Non-profit Corporation—One Seven Two Holding Association, Inc. Document Number: 702891/ FEIN 59-0999024

Dear M/S. Harris,

On or about the third week of September, 1998, a new and separate set of Officers/Directors were elected to the above-said non-profit corporation. This non-profit corporation is the Holding Company for our non-profit labor organization known as the American Postal Workers Union, Miami Area Local. The Labor Organization also held its election of Officers, and a new and separate set of persons were elected as well.

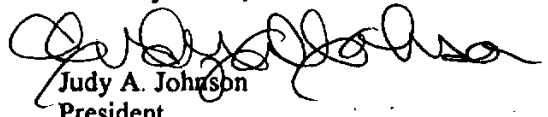

Upon assuming office of the One Seven Two Holding Association, Inc., we immediately notified the State of the new Officers/Directors, as required by the State as well as the Banks and other business accounts. Since that time of filing such report, with the list of Officers/Directors, and their addresses, etc. we have received no further documents that needed to be filed and/or re-filed by the State, in any regard. Our first indication that any updated information was needed was upon receipt of the attached notice of dissolution and an application for reinstatement of our corporation.

Upon receipt of the above-said notice and application, I immediately contacted your Department to inquire as to whether there was some type of error involved in said notice. Our non-profit corporation has been in existence since 1961. I was advised to fill out the attached form for reinstatement (enclosed), and, submit a check payable to the State for \$61.25 for the filing fees, and this letter of explanation. As you can see, the attached form lists all of the information pertaining to the new Officers/Directors.

I hope that this will clear everything up and our longstanding corporation will be able to be reinstated without difficulty, under the circumstances. If there is anything else that you may feel that your Department may need, please feel free to contact me at anytime. Thank-you for consideration of this matter, and the help that your Department has given us in clearing everything up.

3

Sincerely Yours,

Judy A. Johnson
President
