Dear Sirs

During the past several years, in my opinion, there has been a deterioration of several areas at Alco Halfway House: A shift from the mission statement to that of maximizing profits, failure to comply with governmental statues and deterioration of integrity & ethical conduct. There has also been a state of atrophy of some of the plant and equipment that it would be shameful for me to have my family, let alone the community at large, to see where Alco Halfway puts some of its clients.

During this time period I have brought up these items at board of director meetings, and although they said they would be addressed, however in reality they haven't. Due to the above reasons and my ineffectiveness to bring about change, I hereby resign as Vice President of the Board of Directors of Alco Halfway House.

Respectively

Samuel O. Lloyd
