FEI/EIN Number: 59-1549741

I am writing to formally state that I did not authorize being added as secretary or to any position for this building.

I left my position in 2018 after experiencing a heart attack.

This year, I was added back to a role without my consent, and no one notified me of this change.

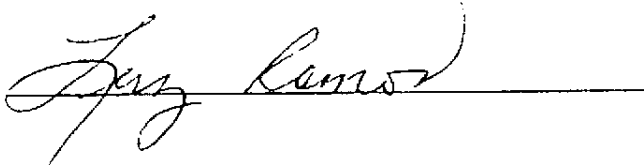

I only discovered that I was listed again through a search to determine who was in charge of my building. I request that immediate action be taken to remove my name from any such position or associated responsibilities.

Thank you for your prompt attention to this matter.

Sincerely,

Luz Ramos
