To Whom It May Concern:

Enclosed you will find a UBR along with our check for \$61.25. This amount was due in May and we just became aware that we were not current by our attorney pulling up our status to update his files.

While I realize that the responsibility ultimately lies with us, I would ask for consideration in the fact that our condominium association never received the form you normally send in January. Nor did we receive the late notice that usually follows up. I spoke with one of your agents yesterday to see if our address was in the system correctly. It was. I have no explanation of why we never received these papers, but hope that we will be allowed some consideration as we have remained up to date since the 1970's.

Thank you again for your consideration.

Sincerely,

Craig O'Donnell
Treasurer, Hidden Harbour One
