ORDER APPOINTING RECEIVER

This cause came on before the Court on the Petition for Appointment of Receiver filed by Petitioners, TYMBER SKAN ON THE LAKE HOMEOWNERS ASSOCIATION, INC., TYMBER SKAN ON THE LAKE SECTION THREE, INC., TYMBER SKAN ON THE LAKE OWNERS ASSOCIATION, SECTION THREE, INC. The Court, after having considered the Petition, the Consents filed in Support and being otherwise in the premises, accordingly, makes the following findings of fact and conclusions of law as follows:

FINDINGS OF FACT AND CONCLUSIONS OF LAW:

1. The Court has subject matter jurisdiction pursuant to §§ 34.11 and 34.011, Fla. Stat., as this is an equitable action cognizable by the circuit courts.

2. Venue in this matter is in Orange County, Florida, in that the property in question or the cause of action accrued in Orange County, Florida.

3. This Court has subject matter jurisdiction pursuant to §§ 34.11 and 34.011, Fla. Stat., as this is an equitable action cognizable by the circuit courts.

4. Petitioner, TYMBER SKAN ON THE LAKE HOMEOWNERS ASSOCIATION, a Florida not-for-profit corporation, (hereinafter "HOMEOWNERS ASSOCIATION") is a Florida not-for profit corporation authorized to and doing business in Florida. The HOMEOWNERS ASSOCIATION is a not-for-profit Florida corporation existing to operate and maintain TYMBER SKAN ON THE LAKE, a Condominium, pursuant to the Declaration of Condominiums of Tymber Skan On the Lake Sections One and Three, and is located at located at 2650 Skan Court, Orlando, 32839.

5. Petitioners, TYMBER SKAN ON THE LAKE OWNERS ASSOCIATION, SECTION ONE, INC., (hereinafter "SECTION ONE") is a condominium located at 2650 SKAN Court, Orlando, 32839, comprising 78 individual condominium units. SECTION ONE is a not-for-profit Florida corporation existing to operate and maintain TYMBER SKAN ON THE LAKE, SECTION ONE, a Condominium, pursuant to the Declaration of Condominium as recorded in Official Records Book 2246 Page 381, *et seq.*, of the Public Records of Orange County, Florida, and as thereafter amended. SECTION ONE was created to maintain and administer the common elements of the condominium and is responsible for the operation and maintenance of the condominium.

6. Petitioner, TYMBER SKAN ON THE LAKE OWNERS ASSOCIATION, SECTION

THREE, INC., (hereinafter "SECTION THREE") is a condominium located at 2650 Skan Court, Orlando, 32839, comprising 124 individual condominium units. SECTION THREE is a not-for-profit Florida corporation existing to operate and maintain TYMBER SKAN ON THE LAKE, SECTION THREE, a Condominium, pursuant to the Declaration of Condominium as recorded in Official Records Book 2402 Page 384, *et seq.*, of the Public Records of Orange County, Florida, and as thereafter amended. SECTION THREE was created to maintain and administer the common elements of the condominium and is responsible for the operation and maintenance of the condominium.

7. At the present time there exists the circumstances which require the immediate appointment of a receiver to govern the affairs of the condominium as the Board of Directors cannot operate and maintain the condominium as more fully alleged below.

8. The Boards, exercising their fiduciary responsibilities, have worked hard to conserve funds and pay all ASSOCIATION expenses.

9. The ASSOCIATIONS have cut all but the very essential services to the condominium property.

10. Each month each ASSOCIATION operates at a loss because of the lack of collection of assessments.

11. The HOMEOWNERS ASSOCIATION, SECTION ONE and THREE currently lack the financial resources to pursue individual collection actions against delinquent owners.

12. There exist delinquencies involving more than 111 units or over two-thirds of all units. As of March 31, 2013, the total arrears in assessments are \$859,659.08 for both SECTIONS ONE and THREE.

13. As a result of these delinquencies the HOMEOWNERS ASSOCIATION, SECTION

ONE and THREE had to stop funding the reserves as they could no longer fund the Reserves and pay all of the operating expenses.

14. The HOMEOWNERS ASSOCIATION, SECTION ONE and THREE have cut all but the very essential services to the condominium property and are unable to stay current with payment resolution agreements from its vendors. There have been multiple instances when the Orlando Utilities Commission has threatened to terminate services to the condominium development.

15. At the current time the HOMEOWNERS ASSOCIATION, SECTION ONE AND THREE cannot possibly continue under the present without emergency court intervention.

16. The vendors who provide regular operating services for the HOMEOWNERS ASSOCIATION, SECTION ONE and THREE are never paid on time, payment resolution agreements are not met, services are stopped, and some have either filed or will be filing actions for remedy with the Court which.

17. The Board of Directors for the HOMEOWNERS ASSOCIATION, SECTION ONE and THREE have already cut many services that once were available such as full time security guards, full time maintenance personnel, pest control service, lake spraying and algae control, landscaping, building repairs, restoration of burned units, roads and paving and any "extras" that would enhance the appearance of the community and maintain property values. As the condominium is in an area of high crime, cutting security services has placed the residents and tenants in jeopardy of injury to their person and loss of their property.

18. There are few owners that actually live at the community with most units either empty or occupied by nonpaying tenants.

19. Many of the units were purchased by investors who live elsewhere and are difficult

or impossible to locate.

20. There are numerous units that have been abandoned by the owners and are vacant.

21. There are many units that have been subject to foreclosures but the mortgage companies have failed to take the necessary steps to consummate the foreclosures as they do not want to assume responsibility for the payment of assessments.

22. There are currently multiple mortgage foreclosures against unit owners that are not being completed by the mortgagees.

23. As a result there has been no collection of assessments from the units that are in foreclosure by the ASSOCIATION and the likelihood of immediate collection of assessments is in peril without the appointment of a receiver who can take immediate and unilateral action to protect the condominium.

24. In addition to the foreclosures, there has been an abandonment of units by tenants who had been renting from the investor owners.

25. As a result of the lack of payment of assessments, the ASSOCIATION is in dire financial circumstances including, but not limited to, the following:

- A. There is no continuous property, liability or directors' insurance covering the ASSOCIATION with lapses and cancellations and non renewals.
- B. Insufficient funds to pay for essential services on a regular and timely basis.
- C. The common elements have deteriorated to such an extent that this is causing damage to the property values of individual units thereby exposing the ASSOCIATION to monetary damage claims.
- D. At least (3) three units have been the subject of great casualty loss due to fire and are inhabitable. Insurance proceeds have not been properly disbursed for

repairs/restoration for the burned units, the insurance proceeds were spent and the units are still uninhabitable and not restored, affecting property values.

- E. Full time security and maintenance has been eliminated causing further deterioration of the common elements.
- F. Closing of recreational facilities due to health and safety concerns.
- G. Building maintenance has severely deteriorated the roofs, plumbing and building exteriors.
- H. There is an inability to provide minimal security and there have been drug deals and multiple other crimes on the property.
- I. There is currently no insurance on the buildings and common elements as required by the governing documents.

26. The Petitioners have requested that a receiver be appointed by the Court to manage and rehabilitate the condominium and that the costs associated with the appointment of the Receiver be paid using the assessments collected by the Receiver.

27. Petitioners also requested that the Receiver have all necessary powers to seek the sequestration of rents from those units that are not paying assessments yet are being occupied.

28. Further, it was requested that the Receiver be granted authority to take possession of those units that have been abandoned so that they may be renovated and rented to collect sufficient funds to pay past and current assessments at the expense of the owner. It was also requested that the Receiver be granted authority to foreclose on units in arrears, take title to the same and dispose of them as reasonably necessary.

29. The Petitioners requested that the Receiver have all the powers and duties of a duly

constituted Board and that the Receiver serve a minimum of two (2) yeas thereby allowing the condominium development to be rehabilitated; the Board to be duly elected; and the HOMEOWNERS ASSOCIATION, SECTION ONE and THREE to return to a stable financial condition.

30. If a Receiver is not appointed to run the business affairs of the HOMEOWNERS ASSOCIATION, SECTION ONE and THREE the residents will have no adequate remedy available to stay in their homes during these tough economic times of hardship and to keep commercial water, wastewater and electric services flowing to the complex to sustain public health.

31. If a Receiver is not appointed to run the business affairs of HOMEOWNERS ASSOCIATION, SECTION ONE and THREE, the common elements of the ASSOCIATION will be impaired and severely damaged.

32. If a Receiver is not appointed to run the business affairs of the HOMEOWNERS ASSOCIATION, SECTION ONE and THREE the likelihood of multiple actions by numerous individuals for just claims could burden the courts.

IT IS ORDERED AND ADJUDGES as follows:

1. Petitioners' request that a receiver be appointed by the Court to collect the rents from those units that are currently being rented and are not paying the assessments is granted.

2. Petitioners' request that a receiver be appointed by the Court to collect the rents from those units that are currently vacant or abandoned by the unit owners and otherwise not being rented and are not paying the assessments is granted.

3. Petitioners' request that the costs associated with the appointment of the receiver be paid using the assessments collected by the receiver is granted.

4. Petitioners' request that the receiver have all the powers and duties of a duly

constituted Board unless otherwise delegated back to the Board and that the receiver serves a minimum of two (2) years thereby allowing the ASSOCIATION to be rehabilitated; the Board to be duly elected; and the ASSOCIATION to return to a stable financial condition is granted.

5. Petitioners have met and consulted with Frank Barber, of Deer Run Realty & Management, Inc., who has agreed to serve as Receiver.
