The foregoing right of indemnification shall not be available if a judgment or other final adjudication establishes that his actions or omissions to act were material to the cause adjudicated and involved:

(A) Willful misconduct or a conscious disregard for the best interests of the Association, in a proceeding by or in the right of the Association to procure a judgment in its favor.

(B) A violation of criminal law, unless the Director or officer had no reasonable cause to believe his action was unlawful or had reasonable cause to believe his action was lawful.

(C) A transaction from which the Director or officer derived an improper personal benefit.

In the event of a settlement, the right to indemnification shall not apply unless the Board of Directors approves such settlement as being in the best interest of the Association. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which a Director or officer may be entitled.
