KELLEY, ALLAN R.
FOWLER, WHITE, ET. AL
175 N.W. FIRST AVENUE
MIAMI FL 33128-1817

10 Name and Address of New Registered Agent

1. The first step in the process of the development of the program is the identification of the problem. This is done by the project manager, who is responsible for the overall direction of the project. The project manager must identify the problem and determine the scope of the project. This is done by conducting a needs assessment and identifying the stakeholders who will be affected by the project. The project manager must also determine the resources that will be required to complete the project.
