Dear Sir/Madam:

Yesterday I received the enclosed letter from the post office with my check for the uniform business report that I filed the beginning of the year. I am hoping that this will not cause to many problems with our filing. Please let me know if there is anything else that you need to get this report properly filed. I'm still puzzled as to why I made out the check for \$150.

Hope you have a healthy and happy holiday season.

Awaiting your reply..

Meryl Kramer

Dear Postal Customer:

The enclosed was found to be either loose in the mails or damaged in handling at this postal facility.

We are fully aware that the mail you receive is important to you. Realizing this, each employee at the Fort Lauderdale Post Office is making every effort to expeditiously handle, without damage, each piece of mail with which they are entrusted. Nevertheless, an occasional mishap will occur. This facility handles an excess of three million pieces of mail daily. Therefore, it is necessary that automated and mechanical systems be employed by the Postal Service to ensure our customers of prompt and efficient delivery of their mails. At times, a malfunction will occur which inadvertently damages mail.

We are constantly working to improve our processing methods so that these incidents will be eliminated. You can help us greatly in our efforts if you will continue to properly prepare and address each letter or parcel that you enter into the mailstream.

We appreciate your concern and sincerely regret any inconvenience you may experience as a result of this occurrence.
