AFFIDAVIT OF JACK LOWTHER

STATE OF FLORIDA)

COUNTY OF BROWARD)

000400 888170

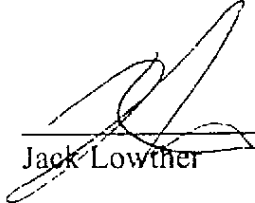

BEFORE ME, the undersigned authority, this day personally appeared, Jack Lowther, who, after first being duly sworn, deposes and says as follows:

1. I have personal knowledge of the facts contained herein.
2. I am an Elder at The Church at Deerfield Beach, Inc. ("The Church") and have been an Elder since 2016.
3. On April, 20, 2022, I authorized the filing of the annual report for The Church. The April 20, 2022 annual report was authorized by the Elders of The Church.
4. On August 23, 2022, an amended annual report was filed, changing the names of The Church officers. This amended annual report was neither authorized by The Church nor was The Church aware of the filing.
5. On October 19, 2022, following a duly called meeting of the Elders, Jeremy Tatom was removed as an Elder of The Church.
6. On October 21, 2022, without knowledge or consent of the Elders, Tatom and Redman filed another amended annual report. The information contained in the October 21, 2022 annual report was false.
7. On October 26, 2022, after Tatoms' removal as an Elder, Tatom, along with Molly Redman, the former bookkeeper for The Church, filed yet another annual report removing the Elders of The Church as officers on the amended annual report. Again the October 26, 2022 amended annual report was not authorized by The Church nor did Church Elders consent to such filing.
8. On October 31, 2022, Tatom and Redman were terminated by The Church. The Church is currently in litigation against Tatom and Redman in the Broward Circuit Court.
9. Thereafter, I went on subiz.org and discovered the prior unauthorized filings by Tatom and Redman.
10. On November 3, 2022, the Elders authorized the filing of a corrected annual report. The annual report reflected in sunbiz.org is the proper filing.

11. No other annual reports have been authorized by The Church.

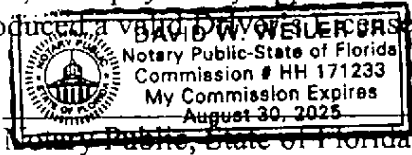

Further Affiant Sayeth Naught Sworn.

Dated: February 23, 2023.
