INDEMNIFICATION

10.1 Indemnity. To the extent permitted by law, the Association shall indemnify any person who was or is a party or is threatened to be made a party, to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative

or investigative (other than an action by or in the right of the Association) by reason of the fact that he or she is or was a director, employee, officer or agent of, or a committee member appointed by, the Association, against expenses (including attorney's fees and appellate attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interest of the Association; and, with respect to any criminal action or proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful; except, that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for gross negligence or willful misfeasance or malfeasance in the performance of his duty to the Association unless and only to the extent that the court in which such action or suit was brought shall determine, upon application, that despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that he or she did not act in good faith and in a manner which he or she reasonably believed to be in, or not opposed to, the best interest of the Association; and with respect to any criminal action or proceeding, he or she had no reasonable cause to believe that his or her conduct was unlawful.

10.2 Expenses. To the extent that a director, officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 10.1 above, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorney's fees and appellate attorney's fees) actually and reasonably incurred by him or her in connection therewith.

10.3 Approval. Any indemnification under Section 10.1 above (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Section 10.1 above. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (c) by a majority of the Members.

10.4 Advances. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the directors, officer, employee or agent to repay such amount unless it shall ultimately be determined that he or she is entitled to be indemnified by the Association as authorized in this Article.

10.5 Miscellaneous. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any By-law, agreement, vote of Members or otherwise, both as to action in his official capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

10.6 Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against such liability under the provisions of this Article.

Amendments to these Articles shall be proposed and adopted in the following manner:

11.1 Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered.

11.3 Limitation. No amendment shall make any changes in the qualifications for membership nor in the voting rights or property rights of Members.
