RE: SUNBIZ Fraudulent Information for Coronet-Taylor Condominium Association, Inc.

#751808

Dear Ms. Varnadore,

The President of the Coronet-Taylor Condominium Association, Michael Aversano took it upon himself to add me, Carmen Valerio as the Treasurer of the association. At no time has Michael Aversano advised me that he was doing this. He has added me and my information illegally without my knowledge. I was notified of this by another homeowner. Michael Aversano has been a corrupt president of the association for a long time now. He is a Realtor and I am going to report him also to the Florida Board of Realtors. He and his hired attorney Avi Tryson have been harassing the homeowners for a long time. He has been trying to remove the homeowners and make the property into rentals. His attorney which he has been using association funds to pay and use against the homeowners has quit. Michael Aversano has an outstanding bill for \$96,000.00 to this attorney who he used to intimidate the homeowners who are senior citizens like myself. I am also reporting Mr. Avi Tryson to the Bar Association. I am reporting this to you the State of Florida and wish to file a police report as soon as possible.

Thank you very much for your assistance and please let me know what other legal action I can take against these fraudulent actions of Michael Aversano.

Sincerely,

Carmen Valerio
