March 4, 2009

To Whom It May Concern,

It has come to my attention recently that my name is listed as a member of the Court Street Condominium Associations Board of Directors with the State of Florida Document # 752315 which was submitted to the State of Florida originally on 4-30-2007. I would like to make it perfectly clear and as a matter of public legal record that I have never been asked to be on the Board of Directors, never personally committed to be a Board member, never submitted my name to be a Board member, have never been involved in an association election to be elected to the Board of Directors or ever had any interest during those years in being a member of the Board of Directors of the Court Street Condominium Association. I would like again for this to be a matter of legal record that I have not had any involvement with, nor ever communicated with any other so called Board of Directors of the Court Street Condominium Association nor made any decision regarding the association with any Board members during the years including submission of my name as a Board member on April 30, 2007 through current. I have no idea how my name has been or was submitted to the State of Florida on behalf of the Court Street Condominium Association as an elected Board Member to the Court Street Condominium Association. It appears that someone erroneously submitted my name without my personal permission. Let it be known that I would like my name removed from the Board of Directors of the Court Street Condominium Association.

Thank You,  
Christina D. Faubion  
Owner of 825 Court Street Clearwater, Fl
