Fla. Dept. of State,

Realizing we had not received our 2003 notice and forms for renewal I checked last years records and realized we made no payment for 2002. It could have been an oversight on my part but I believe we did not receive forms for 2002. We are a small nonprofit corp. and all efforts are volunteer.

I contacted a representative from the State and am completing the necessary form and letter requesting reinstatement. Also enclosed is a check for the amount of \$122.50, for 2002 & 2003 renewal.

Thank You for Your Assistance,

James R. Kasper, Jr.
