Subject: FEIN Number Change

Florida Department of Corporations:

I am the current treasurer for our local AIA Group (American Institute of Architects), located in Gainesville, Florida. Recently we discovered our EIN number had lapsed with the IRS. I spent some time with them over the phone; they had absolutely no record of us. I had to re-register our information with them, and received a new EIN number. Our information is as follows:

Florida North Chapter American Institute of Architects, Inc., with a 'DBA (doing business as) AIA Gainesville,' re-registered with the IRS as such on November 12, 2010.

A '501c6' (non-profit) corporation, which is the usual designation for special business leagues and professional trade associations.

- **Our Federal Tax I.D. Number** (called an **EIN or FEI** number) is: **90-0630991**, registered with the IRS on November 12, 2010. If you (Florida Dept.of Corporations) still have our old EIN number, which begins with a 59 -....please register us with the new number instead.
- **Our street address is:**
- **AIA Gainesville**
- **P.O. Box 1571**
- **Gainesville, FL 32602**

Please let me know if there is anything else I need to do to make sure the State of Florida and the IRS are in sync. concerning our status as a non-profit corporation. We are a small group, and are an 'unstaffed' chapter (we have no employees). Thankyou -
