There are people going into sunbiz.org and amending our annual report without permission or a meeting from the original board of directors. It has been amended by them on several occasions: 01/27/22, 02/01/22, 09/23/22, and 01/13/23.

Official Board: Pastor Rosa Thomas, PD

John Thomas, VP

Paula Northern, SD

Pamela Knighten, TD

It has been changed to by other people: Norbert Campbell, PD

John Thomas, VP

Renee McCown, SD

David Miller, TD

These changes were not approved by the original board of directors. We have not gone back in to amend this change as of yet because these people will go back in and change it again. What kind of safe guards can we put in place to keep this from happening?

As of January 14, 2023, the original board of directors unanimously voted John Thomas off the board. The board will consist of: Pastor Rosa Thomas, PD

Paula Northern, VPD

Pamela Knighten, SD & TD

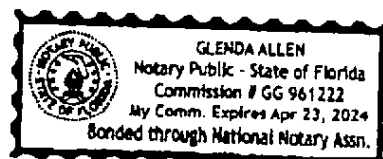

Paula M. Northern
