## ARTICLE IX

### INDEMNIFICATION.

(A) Indemnity. The Association shall indemnify any officer, Director, or committee member who was or is a party or is threatened to be made a party to any threatened, pending, or contemplated action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he or she is or was a Director, officer, or committee member of the Association, against expenses (including attorney's fees and appellate attorney's fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit, or proceeding, unless (i) a court of competent jurisdiction finally determines, after all appeals have been exhausted or not pursued by the proposed indemnitee, that he or she did not act in good faith or in a manner he or she reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, that he or she had reasonable cause to believe his or her conduct was unlawful, and (ii) such court also determines specifically that indemnification should be denied. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was unlawful. It is the intent of the membership of the Association, by the adoption of this provision, to provide the most comprehensive indemnification possible to their officers, Directors, and committee members as permitted by Florida law.

(C) Defense. To the extent that a Director, officer, or committee member of the Association has been successful on the merits or otherwise in defense of any action, suit, or

proceeding referred to in Section (A) above, or in defense of any claim, issue, or matter therein, he or she shall be indemnified against expenses (including attorney's fees and appellate attorney's fees) actually and reasonably incurred by him or her in connection therewith.

(C) Advances. Expenses incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Association in advance of the final disposition of such action, suit, or proceeding on behalf of the affected Director, officer, or committee member. The Director, officer, or committee member shall repay such amount if it shall ultimately be determined that said Director, officer, or committee member is not entitled to be indemnified by the Association as authorized by this Article IX.

(D) Miscellaneous. The indemnification provided by this Article IX shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of Members, or otherwise, and shall continue as to a person who has ceased to be a Director, officer, or committee member and shall inure to the benefit of the heirs and personal representatives of such person.

(E) Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, committee member, employee, or agent of the Association, or a Director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article IX.

(B) Amendment. Anything to the contrary herein notwithstanding, the provisions of this Article IX may not be amended without the approval in writing of all persons whose interest would be adversely affected by such amendment.
