4.
Petitioners further show that they desire that said church shall be vested with the right to appoint a General Council consisting of twelve members, which said Council shall be the ruling body of such church, and shall meet in conference each year not later than the fourth day of July. That the title to the real estate of such church shall be vested in a Board of Trustees who shall be appointed by the Council of said church, and the first Board of Trustees shall consist of the following named members of said church, to-wit: Arthur F. Gray, Marvin Langston, and Conley White, and the title taken to any property, real or personal, in the names of said trustees for said church shall vest in such trustees for the use and benefit of said church, and their successors in trust from time to time.

5.
That said church shall have the right to establish any other governing board or body that it may deem necessary for the carrying on of its various duties and functions.

6.
That said church shall have the right to borrow money and to secure the payment of said money by mortgages, security deeds, or otherwise, and to execute notes, contracts, or other forms or evidences of indebtedness.

7.
That said church shall have and use a common seal, shall have the right to sue and be sued, to contract and be contracted with, and such other general and incidental powers as may be allowed to like corporations under the laws of the State of Georgia.

8.
That said church shall have the right to establish ordinances as it may deem advisable in the carrying on of its work, that said church may approve and accept a discipline for the governing of its church body and its membership, which shall be binding upon all of the governing bodies of such church, the trustees, and the membership thereof.

9.
That a certified copy of this petition, together with the order of the court thereon, shall be evidence of the incorporation of said church.

WHEREFORE, petitioners pray that said church may be granted corporate existence and made a body corporate and politic as provided under Section 22-401 and other sections of the Code of Georgia of 1933 relating to incorporation of churches, their organization and conduct, and petitioners further pray that said church may be clothed with all the general and incidental powers as may be granted under the laws of the State of Georgia to corporations of like character.
