Section 495.071(4), F.S., which became effective January 1, 2007, requires all renewal applications to include a specimen (sample) showing the actual use of the mark on or in connection with the goods or services.

Re: Letter Number: 907A00039819

I am including a sample of the trademark as we use it. At this time the only use for the trademark is for gold seals that we put on certificates that we issue to our PTAs. It is no longer used for any other purpose.

I called your office and was told sending you a seal would be sufficient to get the application filed.

Please let me know if there is anything else I need to do.
