**ROSE MAGIC** is a combination of non-ionic and anionic detergents with water softeners and perfume. **ROSE MAGIC's** neutral property provides mildness on the hands while attacking the dirt. It will condition and brighten the floors, extending the life of the waxed surfaces. **ROSE MAGIC** will not strip the floors with a rotary machine for the daily maintenance of floors.

**DIRECTIONS FOR USE:**

Due to the all purpose property of **ROSE MAGIC**, the concentration to be used will depend on how soiled or dirty the area to be cleaned is. As a general rule, a 10:1 concentration would be sufficient for most jobs. Use on floors, walls, woodwork, formica, porcelain & enamel surfaces.
