Re: THE PAULINO AND ODALYS P. DIAZ-ASPER FAMILY LIMITED
PARTNERSHIP - Ref. Number: A00000000874

Per my telephone conversation with your office, I am returning the correspondence for the above referenced partnership in the hope that you remove the late fee of \$400 as there was a misunderstanding in our part due to the fact that we only received one notice and it was this one which we read as having a due date of September 25, 2002.

Due to the nature of our jobs my husband and I travel often. We try to schedule our payments based on due dates and make out our checks ahead of time and in the event we are not in town we have someone at home mail them out.

We had made a check out and in this case we were in town and mailed it out according to the due date in the application, which we read to be September 25, 2002. During our conversation with your office it was explained to us differently and it seems that we should have received a previous application (with a different due date), which we never received.

We kindly ask that you remove the late fee, as the attached application is the only one we had and we took the due date as the correct date. We will for next year, per your recommendation, be attentive and call your office once we receive the application to make sure this error does not reoccur. Thank you in advance.

Sincerely,

Odalys P. Diaz
