We have received your document for NES HOLDINGS, LTD. and your check totaling \$526.25. However, the enclosed document has not been filed and is being returned for the following correction(s):

Chapter 620, Florida Statutes, requires a supplemental affidavit to be filed pursuant to section 620.112 or 620.176, Florida Statutes, any time the actual contributions of the limited partners exceed the anticipated amount of capital contributions on file with this office.

The fee to file the supplemental affidavit is \$699.30 and the fee to file the annual report/uniform business report is \$526.25 or 1,026.25 (see below). The total fee due for both filings is \$1225.55*. Please return the supplemental affidavit and the annual report/uniform business report together with the appropriate fee.

Every corporation, limited partnership, general partnership, limited liability company or trust listed as a general partner of a limited partnership, general partnership, or registered limited liability partnership must have an active registration/filing on file with this office before this filing will be completed. We are enclosing the appropriate instructions and/or forms for your convenience.

The Division of Corporations may abate the \$500 penalty fee (per year) and void the administrative revocation if the above referenced entity or the person responsible for the filing the uniform business report for said entity did not receive the first notice in a timely manner. Uniform business reports are due between January 1 and May 1 of every year. The first notices are mailed the first week of January of every year. Said notices are mailed to the last known mailing address for each entity.

If the entity or the person responsible for filing the above referenced entity's uniform business report did not receive the first notice in a timely fashion and wishes to have the \$500 penalty fee (per year) and administrative revocation abated, simply attach a written statement to that effect to the enclosed form and return it to this office with the appropriate fees.

Otherwise, the entity must return the enclosed form with the appropriate filing fees and the \$500 penalty fee for each year due this office.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6911.
