Att: Joey Brian

Dear sir,

I looked up my company on line and found my recent filing was rejected. I called your office and they told me there was a balance due of \$2.50 for the filing fee. I have not yet received the rejection letter from your office. In order to expedite the process I am sending you this letter with a check for \$2.50. Could you please update my company status ASAP.

Thank you,

Eugene A. Capobianco
