RE: Cancellation of Limestone Land, Ltd. Partnership

To Whom It May Concern:

All the real and tangible personal property was distributed to the various partners of Limestone Land, Ltd. in June 1989. The remaining assets in the partnership's name after this distribution were cash on deposit and a mineral lease, which the income from was distributed to the partners and not to the individual landowners. In June of 1998, the chemical company canceled this lease. A final federal income tax return was filed for the tax year 1999. This return reported no transactions for the year and no federal return will be necessary in the future.

Accordingly, the general partners are requesting that the State of Florida cancel the partnership under the State statutes, section 620.113.

Enclosed is a check payable to the Florida Department of State in the amount of \$52.50. The contact person is:
