This will acknowledge receipt of your recent request for the form and instructions to cancel a foreign limited partnership's registration.

A foreign limited partnership may cancel its registration by filing with the Department of State a certificate of cancellation signed and acknowledged or sworn to by a general partner.

Please note that a cancellation does not terminate the authority of the Secretary of State to accept service of process on the foreign limited partnership with respect to cause of action arising out of the transaction of business in this state.

The fee to file the cancellation is \$52.50. Certified copies of the cancellation are \$52.50 each. You should total all fees and forward one check made payable to the Department of State for the total amount.

Please be sure to include a cover letter with your document and check. The cover letter should include the name of the contact person and his/her telephone number during the day and the name and address of the person to whom the acknowledgment should be addressed.

Any further inquiries concerning this matter should be directed to the Limited Partnership Section by calling (850) 487-6051.
