The Investment Limited Partner hereby constitutes and appoints each General Partner its true and lawful attorney, in his name, place and stead, to make, execute, swear

to, acknowledge, deliver and file any such amendments as well as any corresponding Certificate of Limited Partnership or amendments thereto under the laws of the State, and under the laws of any other state in which such certificate is required to be filed. The above power of attorney is a special power of attorney coupled with an interest; will survive the delivery of any assignment by the Investment Limited Partner of the whole or any portion of its interest. Upon request of a General Partner, the Investment Limited Partner will, from time to time, execute any separate power of attorney that may be necessary or proper to permit the above-listed power to be exercised.

15. Schedule A attached to the Partnership Agreement and Certificate is hereby deleted in its entirety, and Schedule A attached hereto is hereby inserted in lieu thereof.

16. The Successor General Partner and the Investment Limited Partner hereby agree to continue the Partnership pursuant to the Partnership Agreement and Certificate, as amended hereby.

17. The parties shall cooperate reasonably with each other in connection with any steps required to be taken as part of their respective obligations under this Amendment, and shall execute and deliver to each other such other documents and do such other acts and things, all as any other party may reasonably request for the purpose of carrying out the intent of this Amendment.

18. All capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Partnership Agreement and Certificate.

19. Except as herein and heretofore specifically amended, the Partnership Agreement and Certificate shall remain and continue in full force and effect.

20. In the event of a conflict between any provision of this Amendment and any provision in the Partnership Agreement and Certificate, the provisions of this Amendment shall control.

21. This Amendment is intended to be performed in accordance with, and only to the extent permitted by, all applicable laws, ordinances, rules and regulations. If any provision of this Amendment or the application thereof to any Person or circumstance shall, for any reason and to any extent, be invalid or unenforceable, the remainder of this Amendment and the application of such provision to other Persons or circumstances shall not be affected thereby, but rather shall be enforced to the greatest extent permitted by law. In the event that any provision of this Amendment or the application thereof shall be invalid or unenforceable, the Partners agree to negotiate (on a reasonable basis) a substitute valid or enforceable provision providing for substantially the same effect as the invalid or unenforceable provision.

22. This Amendment contains the entire understanding between and among the parties and supersedes any prior understandings and agreements between and among them respecting the subject matter of this Amendment.
