We have received your document for and your check(s) totaling \$650.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The subject limited partnership's certificate of authority was revoked, for failure to file an annual report.

To reinstate the limited partnership you should file a current annual report/reinstatement, which has been signed by a general partner.

The partnership must pay filing fees totaling \$141.25, an amount equal to the total amount it would have paid this office had it filed its annual reports in a timely manner. In addition to the filing fees, there is a fine of \$500 for each year or part thereof during which the limited partnership's certificate was revoked for the years 1984 through the present, and \$88.75 supplemental fee per year from 1992 forward. If a registered agent has not been previously designated, an additional \$35 is due to designate the registered agent.

The total amount due to reinstate is \$782.50. An additional \$8.75 is due for each certificate of status requested.

There is a balance due of \$132.50.

Every corporation, limited partnership, general partnership, limited liability company or trust listed as a general partner of a limited partnership, general partnership, or registered limited liability partnership must have an active registration/filing on file with this office before this filing will be completed. We are enclosing the appropriate instructions and/or forms for your convenience.

Please return your document, along with a copy of this letter, within 30 days or your filing will be considered abandoned.
