Ladies & Gentlemen:

We are in receipt of your letter of Revocation of the authority of the above referenced entity to transact business in Florida.

A review of our records indicates that we originally filed the 1998 Limited Partnership Annual Report (report enclosed) for this entity in January 1998. It was stamped by your office on January 23, 1998. At the time of the original filing, a check in the amount of \$541.25 was enclosed for annual fees.

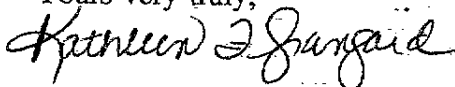

We received a letter from you on January 29, 1998 (copy enclosed) asking for additional fees in the amount of \$1750.00 and a completed supplemental affidavit. This affidavit was completed and given to administrative staff to mail.

Upon receipt of your letter of revocation, we reviewed our file copy of this affidavit and annual report to verify dates. It appeared to us that the original had been lost in the mail to you, as we had were certain that we had completed and mailed the requested information. What we found in our file was not a copy, but in fact the original documents. It appears that the originals were erroneously placed in the files, instead of mailed.

Based on the facts as outlined above, and the fact that the error was administrative and unintentional; and keeping in mind that the annual report was originally filed on time, we respectfully request that you accept the enclosed documents and payment of \$1750.00 as full payment and reinstate this limited partnership to good standing.

Thank you for your time and consideration to this request.

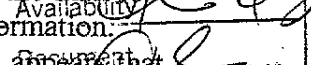

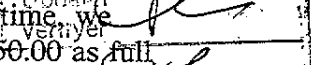

Yours very truly,

Kathleen F. Grangard
Vice President of Finance
