Re: JSBP Associates, Ltd.

Dear Peggy,

Enclosed is an Amended Affidavit of Amount of Capital Contributions regarding the above-referenced Florida limited partnership. The Affidavit is usually filed at the same time that a Certificate of Limited Partnership is filed with the State. The Affidavit that was originally filed with the JSBP Certificate contained an error in the amount of capital contributions of the limited partners. This Amended Affidavit corrects that error.

I understand that when capital contributions exceed those stated in a partnership's original affidavit you have to file a Supplemental Affidavit and pay an additional filing fee. I am not really sure what happens in this case, since the capital contributions listed on the Amended Affidavit are less than the capital contributions shown on the original Affidavit.

I would really appreciate it if you could file this by hand. If there is a fee, we should have money in our account. I would also like to get something time-stamped by the State showing when the Amended Affidavit was filed (if they do that).

Please call me with any questions. I really appreciate your help.

Very truly yours,
