We have received your document for PLAZA PROPERTIES, LTD. and your check(s) totaling \$1840.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

In addition to the CERTIFICATE OF LIMITED PARTNERSHIP, you must complete an AFFIDAVIT OF CAPITAL CONTRIBUTIONS.

We are attaching a form for this.

If you don't want to complete the AFFIDAVIT, you could add the words "AND AFFIDAVIT OF CAPITAL CONTRIBUTIONS" to the title of your present document. On page 3, the LIMITED PARTNER contributions are discussed, and you have already listed the initial amounts that have been contributed. But it is NOT COMPLETELY CLEAR from the wording in your document as to what the TOTAL ANTICIPATED LIMITED PARTNER CONTRIBUTION AMOUNT is.

If you are not going to complete an affidavit, please add this sentence in Item 2 - "THE TOTAL AMOUNT CONTRIBUTED AND ANTICIPATED TO BE CONTRIBUTED BY THE LIMITED PARTNERS IS _____." It is very important that this amount be clearly stated, because this is the amount that is going to be listed in our computer file, and the partnership would be required to file a SUPPLEMENTAL AFFIDAVIT if the actual limited partner contributions ever increase beyond this amount.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 487-6914.

ARTICLE VIII- ASSIGNMENT OF LIMITED PARTNERSHIP INTERESTS

A Limited Partner may assign his interests in the Limited Partnership provided:

1. The interest assigned may not be less than the total interest of a Limited Partner in the Partnership, unless in the opinion of the General Partners the Limited Partner has a sufficient interest to be divided.

2. The Assignee shall consent in writing, in a form satisfactory to the General Partners, to be bound by the terms of the Partnership Agreement in the place and stead of the assigning Limited Partner.

3. The General Partners consent to the assignment; provided, however, the General Partners' consent shall not be unreasonably withheld but provided further that the transferor at the discretion of the General Partners, delivers to the General Partners an unqualified opinion of counsel, in form and substance satisfactory to counsel designated by the General Partners that neither the transfer nor any offering in connection therewith violates any provision of any federal or state securities laws.

4. The assignment shall be effective the first day of the calendar quarter in which the assignment takes place.

ARTICLE IX-ADMISSION OF LIMITED PARTNERS

The General Partner may:

1. Admit as a Limited Partner, after the admission of the initial two Limited Partners, any qualified investor as such term is defined by applicable securities laws, who contributes \$75,000 per unit of Limited Partnership interest with a maximum

1. The Partnership shall not be terminated by the death, withdrawal or termination of a Limited Partner or the admission of a new Limited Partner.

2. The General Partners may terminate the interest of a Limited Partner and expel him for any of the following reasons:

(a) Death, legal disability, or insolvency.

(b) Assignment by a Limited Partner of all or any part of his interest in the Partnership without the approval of the General Partners.

(c) If the conduct of a Limited Partner tends to bring the Partnership into disrepute or litigation, or his interest becomes subject to attachment, garnishment, claims of creditors in bankruptcy, or similar legal proceedings.

(d) Failure to meet any material commitment to the General Partners in accordance with any written undertaking.

3. The Partnership shall be dissolved upon the happening of any of the following:

(a) By written consent of a majority in interest of the General Partners and all Limited Partners.

(b) The death, bankruptcy, or adjudication of insanity or incompetence of a majority in interest of the General Partners; provided, however, that the Limited Partners may select a successor or successors to any General Partner within ninety (90) days thereafter.

(c) By any event which makes it unlawful for the Partnership business to be continued.

(d) By failure to elect a successor or successors to so many of the General Partners as is necessary to provide for a majority in interest among the General Partners within sixty (60) days after notice has been given to the Limited Partners of the intent of a number of the General Partners holding a majority in interest of the General Partners to withdraw.

(e) Upon disposition of all interests and assets.

(f) For failure of the General Partners to meet any material commitment to the Partnership in accordance with any written undertaking.

4. Upon termination of a Limited Partner's interest, the cash surrender value of his interest shall be determined as of the beginning of the calendar quarter in which the termination occurred. The amount determined shall be paid by the General Partners to him, his heirs or legal representative no later than one hundred and eighty (180) days after the end of the quarter in which the Limited Partner is terminated. The acceptance of such payment shall constitute an assignment and release all interests in the Partnership assets and affairs.

5. The cash surrender of a terminated Limited Partner's interest shall be determined as the sum of:

(a) Cash on hand less twenty percent (20%).

(b) Prepaid expenses and accounts receivable less twenty percent (20%).

(c) One hundred percent (100%) of the net book value of all other assets.

However, if in the opinion of the General Partners or terminated Limited Partner, one hundred percent (100%) of the net book value of any asset does not fairly represent market value less cost of sale, he may cause the fair market value less cost of sale to be determined by an independent appraiser; in which event the appraised market value less estimated cost of sale shall be utilized in lieu of one hundred percent (100%) of the net book value.

From the total value of assets provided above shall be deducted an amount equal to all debts and obligations of every kind and nature including accrued expense and other liabilities of the Partnership.

Cash surrender value of the terminated Limited Partner's interest shall be his proportionate share of the determined remainder.

ARTICLE XIV—NATURE OF LIMITED PARTNER'S
LIABILITY FOR CLAIMS AGAINST PARTNERSHIP

To further the intent of the parties that each Limited Partner shall be liable only for his share of contributed capital and undistributed profits, the parties agree as follows:

1. The General Partners shall arrange to prosecute, defend, settle, or compromise actions at law or equity at the expense of the Partnership as may be necessary to enforce the Partnership interest.

2. The General Partners shall satisfy any liability judgment, decree, decision, or settlement, first out of any insurance proceeds available, next out of Partnership assets, and finally out of income of the General Partners.

3. The Limited Partnership to the extent of its assets indemnifies the General Partners against tort or contract liability resulting from good faith actions or omissions on their part.

ARTICLE XV—ALLOCATION OF NET INCOME, NET LOSSES AND
DISTRIBUTIONS

Net profits or net losses shall be distributed, after deducting the compensation to the General Partners as follows:

1. The taxable income, gain, losses, deductions, distributions, and credits of the partnership shall be determined for each fiscal year of the partnership in accordance with the accounting method followed by the partnership for federal income tax purposes and otherwise in accordance with generally accepted accounting principles applied in a consistent manner. Profits and losses shall be allocated to the partners on the last day of each fiscal year of the Partnership.

2. All net income, if any, and credits of the Partnership from operations for any fiscal year (or part thereof), or as the result of any sale or other disposition of the entire property as determined for federal income tax purposes will be allocated on the basis of eighty (80) percent to the Limited Partners, and twenty (20) percent to the General Partners until such time as the phantom capital accounts, as such accounts are hereinafter defined, of all Limited Partners shall have been fully paid out. Profits so allocated to the Limited Partners as a class will be allocated among the Limited Partners in the proportion to the

FILED STATE
SECRETARY OF CORPORATIONS
DIVISION OF CORPORATIONS

number of units each Limited Partner owns bears to the aggregate number of units of all the Limited Partners at the time of such allocation.

At such time, if ever, as the phantom capital account for each Limited Partner has been fully paid out, all net income, and credits of the partnership from the operations for any fiscal year (or part thereof) will be allocated on the basis of 50% to the Limited Partners and 50% to the General Partners. Profits and losses are allocated among the Limited Partners in proportion to the number of units each Limited Partner owns to the aggregate units of all the Limited Partners at the time of such allocation.

Upon any sale of other total disposition of the property the partnership, assuming that all Limited Partners phantom capital accounts have been fully paid out, income will be allocated on the basis of 50% to the Limited Partners and 50% to the General Partners.

All losses of the partnership in connection with operations or the sale or other total disposition of the property of the partnership, as determined for federal income tax purposes, shall be allocated as follows:

- a. To the partners, pro rata, in proportion to their capital accounts until the balances therein have been reduced to zero; and
- b. The balance of such loss one hundred percent (100%) to the General Partners.

Solely for purposes of allocation of losses, the General Partners' capital accounts shall be deemed to include, in addition to their balances as would otherwise be calculated, the amount of the partnership's current and long term liabilities of a non-contingent nature.

3. After providing for the satisfaction of the partnership's current debts and obligation and subject to the entitlement in favor of the General Partners, at their election, to establish a reasonable "Replacement Reserve Account", the partnership will distribute cash from operations as expeditiously as possible after the end of each calendar year (or at such more frequent intervals as the General Partners in their discretion may elect) to the extent available on the basis of eighty (80) percent to the Limited Partners and twenty (20) percent to the General Partners until such time as the phantom capital accounts of all Limited Partners have been fully paid out.

At such time as the phantom capital accounts of all Limited Partners have been fully paid out, cash distributions from operations of the partnership will be allocated fifty

(50)percent to the Limited Partners and fifty (50) percent to the General Partners.

4. The proceeds derived from the sale or other disposition of the entire property of the partnership will be distributed, to the extent available for distribution as follows:

- a. First, eighty (80) percent to the Limited Partners and twenty (20) percent to the General Partners until such time as each Limited Partner shall have received distributions sufficient to pay off his phantom capital account; however, the distributions made hereunder shall not be in excess of the aggregate positive balance, if any, of the phantom capital accounts of all Limited Partners;
- b. Thereafter, fifty (50) percent to the Limited Partners and fifty (50) percent to the General Partners.

5. Upon the dissolution or winding up the affairs of the partnership, the assets of the partnership will be distributed as follows:

- a. First to the payment of debts and liabilities of the partnership and expenses of liquidation;
- b. To the setting up of such reserves as the person required by law to wind up the partnership's affairs may reasonably deem necessary for any contingent liabilities or obligations of the partnership, provided that any such reserve shall be paid by such person to an independent escrow agent, who will hold the reserves for a period that he deems advisable, for the purposes of applying the reserves to the payment of such liabilities or obligations, and, at the expiration of such period, the balance of such reserves, if any, shall be distributed as set forth in the partnership agreement; and
- c. To the Partners in the order of priority as provided in the preceding paragraph.

6. The partnership shall establish for each Limited Partner a "phantom capital account." The phantom capital account shall consist of each Limited Partner's initial cash payment to the limited partnership in purchase of his unit(s) and such phantom capital account shall be decreased by all actual cash distributions to him, if any, as is more fully set forth above, until such actual cash distributions have reduced the balance in such phantom capital account to zero (0) dollars at which time such Partner's phantom

capital account shall be paid out in full. Once any Limited Partner's phantom capital account has been fully paid out, it shall be permanently and fully extinguished and shall not be reestablished by reason of any subsequent addition to capital contributions by such Limited Partner or by reason of any other increase in the capital account of such Partner.

ARTICLE XVI-MISCELLANEOUS

1. If any provision of this Agreement, or the application of any provision to any person or circumstance, shall be held invalid, the remainder of the Agreement, or the application of such provision to any person or circumstance other than those to which it is held invalid, shall not be affected.

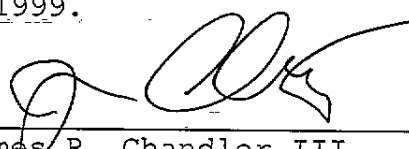

2. The Agreement shall be binding upon the parties, their successors, heirs, devisees, assigns, legal representatives, executors, and administrators.

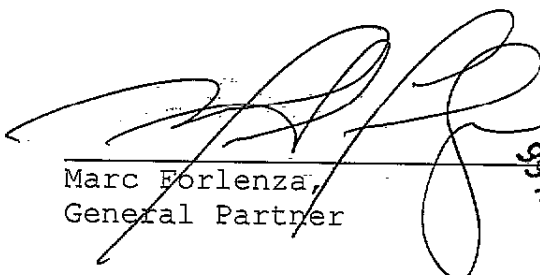

3. To the extent permitted by law, each of the parties waives any right he may have to maintain an action in the nature of partition with respect to property held by the Partnership.
