Re: *Nolan's Building Developers Group, Ltd.*

Nolan's Management & Developers Group, Ltd.

Dear Sir/Madam:

On or about January 19, 2001, the Annual Reports for these partnerships, along with a check in payment of the required annual fees, was timely filed with your office. However, the check was not written in the correct amount and, therefore, the annual reports as well as the check were returned to partnerships.

On or about February 8, 2001, the partnerships filed the annual reports along with a check in the amount of \$1,605.00. A photocopy of the check, written on the account of Florida Welding Fabricators and Erectors, Inc. is enclosed.

The partnerships were under the impression that their annual reports had been properly and timely filed as they heard nothing further from your office.

Earlier this month, each of the partnerships was notified that a Certificate of Revocation was filed with respect to each partnership.

As far as the partnerships can determine the corrected check in payment of the annual reporting fees for each of the partnerships remains outstanding.

As you can see from the foregoing, the partnerships acted promptly, diligently and in good faith to meet the filing requirements of your office.

Therefore, based on the foregoing circumstances, we respectfully request that you waive any penalties required to reinstate the partnerships.

In this regard, we enclose the appropriate Limited Partnership Reinstatement forms, as well as a new check in the amount of \$1,338.75, in payment of the required fees for their respective annual reports.

Yours truly,

BONNIE NOLAN
