Dear processor:

In March of 2018, we attempted to register our business, Miner, Ltd., with the Florida Secretary of State. We submitted a filing fee of \$1,000, and our application was subsequently rejected because of a name availability issue. Later that year, we submitted our application again under the name "Miner GC, Ltd." and it was again rejected for the same reason. We are now under the impression that this name availability problem is no longer an issue. As the Florida division of corporations has already cashed our check for the original registration, we have enclosed a copy of our original check as payment.

Thank you,

A handwritten signature in black ink, appearing to read "Matt Spitnale". The signature is fluid and cursive, written over a white background.
