WU TRUST

I, LIN YUAN-YANG HSIEH, of Taiwan, Republic of China, make this Trust Agreement dated August 1, 1994 with HUNG-LIN WU (my "Trustee")

ARTICLE I
CREATION AND DISTRIBUTION OF TRUST

A. Creation of Trust. I have transferred to my Trustee the assets listed on the attached Schedule. My Trustee shall hold all assets received in trust to be administered under the terms of this Agreement. The Beneficiary of the Trust is CHU-YEN WU, age eleven (11).

B. Trust Until Age Twenty-one. Until a beneficiary shall reach the age of twenty-one (21), my Trustee may pay to or for the benefit of such beneficiary as much of the net income or principal of the Trust allocable to such beneficiary's share as my Trustee may deem appropriate for any purpose. My Trustee may distribute principal while income is accumulated and shall annually add any undistributed income to principal. In the event the principal amounts contained in the share of each beneficiary are not equal, income shall be allocated in proportion to the average balance of such principal amounts during the year.

C. Trust After Age Twenty-one (21). My Trustee may pay annually to each beneficiary who has reached the age of twenty-one (21) the net income of the Trust allocable to the share of such beneficiary and may pay to or for the benefit of each such beneficiary all or any part of the principal as my Trustee may deem appropriate for any purpose, as long as said total distribution (to

each beneficiary) does not exceed one-half of the principal and accumulated interest contained in such beneficiary's share of the Trust.

D. Final Distribution of Trust. At any time after January 1, 2020, my Trustee shall distribute all of the remaining principal and undistributed income of the Trust to each beneficiary, in the amount equal to the principal and income remaining in such beneficiary's share, upon the beneficiary's written request.

E. General Power of Appointment. If the beneficiary dies before the Trust is terminated, my Trustee shall distribute that beneficiary's share of principal and any undistributed income of the Trust as the beneficiary may appoint by specific reference to this power in the beneficiary's Will. The beneficiary may appoint to or for the benefit of any persons, including the beneficiary's estate, and the beneficiary may appoint outright, to a custodian or to a Trustee to be held in further lawful trust. After the payment of taxes as later provided, my Trustee shall distribute the beneficiary's share of unappointed principal and income of the Trust to the beneficiary's then living descendants, per stirpes, or if there are none, to the heirs at law of the beneficiary.

ARTICLE II INTERESTS VESTING IN CERTAIN BENEFICIARIES

A. Vested Interests Retained in Trust. Whenever any Trust interest vests in a beneficiary under age twenty-one (21), my Trustee may hold the interest in Trust. My Trustee may pay to or for the benefit of the beneficiary as much of the net income or principal of

the Trust as my Trustee may deem appropriate for the beneficiary's support, health and education. Upon age twenty-one (21) and January 1, 2020, my Trustee shall distribute the Trust assets to the beneficiaries as set forth above. If the beneficiary dies before 2020, my Trustee shall distribute the Trust assets to the beneficiary's estate, and shall be thereafter disbursed according to my directions in Article I above.

B. Distribution to Custodian. My Trustee may also distribute any interest vesting in a beneficiary under age twenty-one (21) to a custodian under the Virginia Uniform Gifts to Minor Act.

C. Vesting Not Postponed. The provisions of this Article shall not postpone vesting of any interest in the beneficiary.

ARTICLE III FIDUCIARIES

A. Resignation of Trustee. HUNG-LIN WU or any successor Trustee, may resign as Trustee by written notice to me if I am then living and competent to receive notice, and otherwise to my daughter, Tsui-Kuen Hsieh Wu, if Tsui-Kuen Hsieh Wu is then living and competent to receive notice, and to the beneficiaries, or if either beneficiary is a minor, to a parent or other adult personally responsible for the beneficiary. The resignation shall be effective upon appointment of a successor Trustee.

B. Successor Trustee. If any Trustee resigns or ceases to serve, my daughter, Tsui-Kuen Hsieh Wu, or if Tsui-Kuen Hsieh Wu is not living and competent to do so, the beneficiaries, if the beneficiaries, or either of them, is living and competent to do so,

may appoint any competent person or any bank or trust company having trust powers as successor Trustee. The appointment shall be effective upon written acceptance of fiduciary duties by the successor Trustee. If no successor Trustee is so appointed, a successor Trustee may be appointed as provided by law upon application of the resigning Trustee or any beneficiary.

C. Actions of Predecessor. No Trustee serving under this Agreement shall be responsible for or required to inquire into any fiduciary actions occurring before such Trustee's appointment.

D. Compensation. The Trustee shall receive for his services compensation not to exceed the amount provided by Section 64.1-26-30, Code of Virginia.

E. Fiduciary Powers. In addition to the powers granted by law, I grant my Trustee the powers set forth in Section 64.1-57 of the Code of Virginia, and I incorporate that Code Section in this Agreement by this reference. However, my Trustee shall not exercise any power specifically prohibited under this Article or any other power that would cause Trust income to be taxable to me or the Trust assets to be taxable in my estate. If any asset donated to this Trust does not meet the requirements of the prudent man standard set forth in Section 26-45.1 of such Code, my Trustee may nevertheless retain the asset for so long as my Trustee may deem appropriate. My Trustee may borrow money for any purpose deemed in the best interest of any Trust under this Agreement, and secure such borrowings with any assets of such Trust. The Trustee shall have the power to pledge or mortgage or place a Deed of Trust on assets of the Trust to secure the debts of another party when in the opinion of the Trustee there

is adequate consideration and/or benefit to the Trust in connection with such transaction.

My trustee shall have in addition to the powers hereinbefore specified the following specifically enumerated powers:

appropriate.

(24) To execute any instrument, under seal or otherwise.

(26) To sell any property to, to exchange any property with, to purchase any property from or otherwise to deal with any beneficiary of the Trust or with any trust or estate of which either the Donors, or any issue of the Donors is or was a donor or beneficiary, whether created by this instrument or not, even though the Trustee is also a fiduciary of such other trust or estate; and when dealing with any fiduciaries, the Trustee shall have no duty to follow any property transferred by them.

(27) To act notwithstanding the self interest of the Trustee, including the powers to lease, mortgage or sell any property to or lease or purchase any property from any Trustee, to determine the amount of and to receive his compensation for services as Trustee or in any other capacity, in the case of a corporate trustee, to borrow from, deposit money or otherwise deal with its own banking department, to invest in its own stock or stock of any of its affiliates, or to invest in its own common trust fund, and to be interested in any investment, corporation, unincorporated business, farming or mining operation, real estate operation or other venture in which the Trust is interested.

(30) To enter into binding agreements not to exercise any power which they possess upon such terms and conditions and for such reasons as may be deemed appropriate.
