ARTICLE V

The period of the Trust's duration is perpetual. The Trust may be sooner terminated by the vote of the holders of at least two-thirds (2/3) of the voting power of the outstanding Shares.

ARTICLE VI

The Trust Managers shall manage the money or property received for the issuance of Shares for the benefit of the shareholders of the Trust.

Subject to any express limitations contained in the Texas BOC, this Declaration of Trust or the Bylaws (hereinafter defined), (a) the business and affairs of the Trust shall be managed under the direction of the Board of Trust Managers, consisting of all the Trust Managers then in office (the "Board") and (b) the Board shall have full, exclusive and absolute power, control and authority over any and all property of the Trust. The Board may take any action as in its sole judgment and discretion is necessary or appropriate to conduct the business and affairs of the Trust. This Declaration of Trust shall be construed with the presumption in favor of the grant of power and authority to the Board. Subject to any express limitations contained in the Texas BOC, this Declaration of Trust or in the Bylaws, any construction of this Declaration of Trust or determination made in good faith by the Board concerning its powers and authority hereunder shall be conclusive. The enumeration and definition of particular powers of the Trust Managers included in this Declaration of Trust or in the Bylaws shall in no way be limited or restricted by reference to or inference from the terms of this or any other provision of this Declaration of Trust or the Bylaws or construed or deemed by inference or otherwise in any manner to exclude or limit the powers conferred upon the Board or the Trust Managers under the general laws of the State of Texas or any other applicable laws.

The Board, without any action by the shareholders of the Trust, shall have and may exercise, on behalf of the Trust, the power to adopt, amend and repeal Bylaws; to elect officers in the manner prescribed in the Bylaws; to solicit proxies from holders of Shares (hereinafter

defined); and to do any other acts and deliver any other documents necessary or appropriate to the foregoing powers.

The number of Trust Managers shall be three (3) which number may be increased or decreased pursuant to the Bylaws. The Trust Managers may increase the number of Trust Managers on the Board and fill any vacancy, whether resulting from an increase in the number of Trust Managers, resignation, removal, incapacity, death or otherwise in the manner provided in the Bylaws.

Trust Managers shall be elected at the annual meeting of the shareholders by the affirmative vote of the holders of two-thirds (2/3) of the Shares outstanding and entitled to vote for the election of Trust Managers; provided, however, notwithstanding the foregoing, US Industrial REIT III, LLC shall at all times have the right to appoint one Trust Manager. Subject to the Bylaws, a Trust Manager may be removed by the vote of the holders of two-thirds (2/3) of the outstanding Shares entitled to vote at a special meeting of the shareholders called for such purpose or as otherwise provided in the Bylaws. Cumulative voting for the election of Trust Managers is prohibited.

Each Trust Manager shall serve until his successor is elected and qualified or until his death, retirement, resignation or removal. In the event of any increase or decrease in the authorized number of Trust Managers, each Trust Manager then serving as such shall nevertheless continue as a Trust Manager until the expiration of his current term, or until his death, retirement, resignation or removal. Any Trust Manager may resign by written notice to the Board, effective upon execution and delivery to the Trust of such written notice or on any future date specified in the notice. Subject to the rights of certain holders to elect one or more Trust Managers as set forth in the Bylaws, a Trust Manager may be removed at any time or without cause at a meeting of the shareholders, by the affirmative vote of the holders of more than two-thirds (2/3) of the Shares then outstanding and entitled to vote generally in the election of Trust Managers.

ARTICLE VII

The aggregate number of Shares of beneficial interest which the Trust has authority to issue is one million (1,000,000) common shares, par value \$.01 per share ("Common Shares") and Five Hundred (500) preferred shares ("Preferred Shares"). Except as otherwise provided in this Declaration of Trust, all of the Common Shares shall be equal in all respects to every other such Common Share, and shall have no preference, conversion, exchange or preemptive rights.

The Trust may issue one (1) or more series of Preferred Shares, each such series to consist of such number of Shares as shall be determined by resolution of the Trust Managers creating such series. The Preferred Shares of each such series shall have such designations, preferences, conversion, exchange or other rights, participations, voting powers, options, restrictions, limitations, special rights or relations, limitations as to dividends, qualifications or terms, or conditions of redemption thereof, as shall be stated and expressed by the Trust Managers in the resolution or resolutions providing for the issuance of such series of Preferred Shares pursuant to the authority to do so which is hereby expressly vested in the Trust Managers.

Except as otherwise specifically provided in any resolution or resolutions of the Trust Managers providing for the issuance of any particular series of Preferred Shares, the number of Shares of any such series so set forth in such resolution or resolutions may be increased or decreased (but not below the number of Shares of such series then outstanding) by a resolution or resolutions likewise adopted by the Trust Managers.

Except as otherwise specifically provided in any resolution or resolutions of the Trust Managers providing for the issuance of any particular series of Preferred Shares, Preferred Shares redeemed or otherwise acquired by the Trust shall assume the status of authorized but unissued Preferred Shares and shall be unclassified as to series and may thereafter, subject to the provisions of this Article VII and to any restrictions contained in any resolution or resolutions of the Trust Managers providing for the issuance of any such series of Preferred Shares, be reissued in the same manner as other authorized but unissued Preferred Shares. Except as otherwise specifically provided in any resolution or resolutions of the Trust Managers providing for the issuance of any particular series of Preferred Shares, holders of Preferred Shares shall have no preemptive rights.

Except as otherwise specifically required by law or this Declaration of Trust or as specifically provided in any resolution or resolutions of the Trust Managers providing for the issuance of any particular series of Preferred Shares, the exclusive voting power of the Trust shall be vested in the Common Shares. Each Common Share entitles the holder thereof to one vote at all meetings of the shareholders of the Trust.

ARTICLE VIII

The Trust shall issue Shares only for a tangible or intangible benefit to the Trust, including cash, promissory notes, property, services performed, contracts for services to be performed or other securities of the Trust.

ARTICLE IX

The Trust will not commence business until it has received for the issuance of Shares consideration of at least \$1,000 value, consisting of any tangible or intangible benefit to the Trust, including cash, promissory notes, property, services performed, contracts for services to be performed or other securities of the Trust.

ARTICLE X

The Trust shall not engage in any activities beyond the scope of the purpose of a REIT formed pursuant to the Texas BOC, as such purpose is set forth in Article II hereof and in the Texas BOC.

ARTICLE XII

The Board may authorize the issuance from time to time of Shares of any class or series, whether now or hereafter authorized, or securities or rights convertible into Shares of any class or series, whether now or hereafter authorized, for consideration consisting of any tangible or intangible benefit to the Trust (including, without limitation, cash, promissory notes, property, services performed, contracts for services to be performed or other securities of the Trust) as the Board may deem advisable (or without consideration in the case of a Share split or Share dividend), subject to such restrictions or limitations and exceptions, if any, as may be set forth in this Declaration of Trust, the Bylaws or the Texas BOC and provided that any such issuance will not cause the Trust to fail to qualify as a REIT or a "domestically controlled" REIT within the meaning of Section 897(h)(4)(B) of the Code and provided that any such issuance will not cause the Trust to be "pension held REIT" within the meaning of Section 856(h)(3)(D) of the Code.

The Board may from time to time authorize and declare to shareholders such dividends or distributions, in cash or other assets of the Trust or in securities of the Trust or from any other source as the Board in its discretion shall determine. The Board shall endeavor to authorize and declare such dividends and distributions as shall be necessary for the Trust to qualify as a real estate investment trust under the Code; however, shareholders shall have no right to any dividend or distribution unless and until authorized and declared by the Board. The exercise of the powers and rights of the Board pursuant to this Article XII shall be subject to the provisions of any class or series of Shares at the time outstanding. Notwithstanding any other provision in this Declaration of Trust, no determination shall be made by the Board nor shall any transaction be entered into by the Trust which would cause any Shares or other beneficial interest in the Trust not to constitute "transferable shares" or "transferable certificates of beneficial interest" under Section 856(a)(2) of the Code or which would cause any distribution to constitute a preferential dividend as described in Section 562(c) of the Code.

The Trust Managers may from time to time authorize, and the Trust may make, distributions on its outstanding Shares in cash, in property or in its Shares, except that no distribution shall be made if (i) after giving effect to the distribution, the Trust would be insolvent or (ii) the distribution exceeds the surplus of the Trust, except as set forth in the Texas BOC.

All Shares shall be personal property entitling the shareholders only to those rights provided in this Declaration of Trust. The shareholders shall have no interest in the property of the Trust and shall have no right to compel any partition, dividend or distribution. The Trust is entitled to treat as shareholders only those Persons in whose names Shares are registered as holders of Shares on the beneficial interest ledger of the Trust.

The Trust may, without the consent or approval of any shareholder, issue new Shares, eliminate a fraction of a Share by rounding up or down to a full Share, or pay cash in partial disposition of a fraction of a Share by the Person entitled to it, or pay cash in partial disposition of a fraction of a Share.

ARTICLE XIII

A holder of Shares, an owner of any beneficial interest in Shares, or a subscriber for Shares whose subscription has been accepted is not under an obligation to the Trust or to its obligees, with respect to the Shares, other than the obligation to pay to the Trust the full amount of the consideration for which the Shares were or are to be issued; with respect to any contractual obligation of the Trust, on the basis that the Beneficial Owner, owner, or subscriber is or was the alter ego of the Trust, or otherwise or on the basis of actual fraud or constructive fraud, a sham to perpetrate a fraud, or other similar theory, unless the obligee demonstrates that the Beneficial Owner, owner or subscriber caused the Trust to be used for the purpose of perpetrating and did perpetrate an actual fraud on the obligee primarily for the direct personal benefit of the Beneficial owner, owner or subscriber; or, with respect to any obligation of the Trust, on the basis of the failure of the Trust to observe any formality, including the failure to comply with any requirement of the Texas BOC, this Declaration of Trust or the Bylaws or to observe any requirement prescribed by the Texas BOC, this Declaration of Trust or the Bylaws for acts taken by the Trust, its Trust Managers or its shareholders.

ARTICLE XIV

(a) The Trust shall indemnify every Indemnitee (hereinafter defined) against all judgments, penalties (including excise and similar taxes), fines, amounts paid in settlement and reasonable expenses actually incurred by the Indemnitee in connection with any Proceeding (hereinafter defined) in which he was, is or is threatened to be named defendant or respondent, or in which he was or is a witness without being named a defendant or respondent, by reason, in whole or in part, of his serving or having served, or having been nominated or designated to serve, in any of the capacities that qualify the named defendant or respondent as an Indemnitee, to the fullest extent that indemnification is permitted by Texas law in accordance with the Bylaws. An Indemnitee shall be deemed to have been found liable in respect of any claim, issue or matter only after the Indemnitee shall have been so adjudged by a court of competent jurisdiction after exhaustion of all appeals therefrom. Reasonable expenses shall include, without limitation, all court costs and all fees and disbursements of attorneys for the Indemnitee.

(b) The indemnification provided by this Article XIV shall (i) not be deemed exclusive of, or to preclude, any other rights to which those seeking indemnification may at any time be entitled under the Bylaws, any law, agreement or vote of shareholders or disinterested Trust Managers, or otherwise, or under any policy or policies of insurance purchased and maintained by the Trust on behalf of any Indemnitee, both as to action in his Official Capacity and as to action in any other capacity, (ii) continue as to a Person who has ceased to be in the capacity by reason of which he was an Indemnitee with respect to matters arising during the period he was in such capacity and (iii) inure to the benefit of the heirs, executors and administrators of such a Person. Notwithstanding anything to the contrary otherwise contained herein, or in the Bylaws, the Trust shall not indemnify any Person for any act, omission or breach of duty to the Trust to which this certificate is attached, or for any damage or expense arising from the performance of his duty to the Trust to which this certificate is attached, or for any damage or expense proximately caused by the gross negligence on the part of such Person.

(c) The provisions of this Article XIV (i) are for the benefit of, and may be enforced by, each Indemnitee of the Trust, the same as if set forth in their entirety in a written instrument duly executed and delivered by the Trust and such Indemnitee and (ii) constitute a continuing offer to all present and future Indemnities. The Trust, by its adoption of this Declaration of Trust, (i) acknowledges and agrees that each Indemnitee has relied upon and will continue to rely upon the provisions of this Article XIV in becoming, and serving in any of the capacities that qualify the named defendant or respondent as an Indemnitee, (ii) waives reliance upon, and all notices of acceptance of, such provisions by such Indemnities and (iii) acknowledges and agrees that no present or future Indemnitee shall be prejudiced in his right to enforce the provisions of this Article XIV in accordance with their terms by any act or failure to act on the part of the Trust.

(d) No amendment, modification or repeal of this Article XIV or any provision of this Article XIV shall in any manner terminate, reduce or impair the right of any past, present or future Indemnities to be indemnified by the Trust, nor the obligation of the Trust to indemnify any such Indemnities, under and in accordance with the provisions of this Article XIV as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may be asserted.

(e) If the indemnification provided in this Article XIV is either (i) insufficient to cover all costs and expenses incurred by any Indemnitee as a result of such Indemnitee being made or threatened to be made a defendant or respondent in a Proceeding by reason of his holding or having held a position that qualifies the named defendant or respondent as an Indemnitee or (ii) not permitted by Texas law, the Trust shall indemnify, to the fullest extent that indemnification is permitted by Texas law, every Indemnitee with respect to all costs and expenses incurred by such Indemnitee as a result of such Indemnitee being made or threatened to be made a defendant or respondent in a Proceeding by reason of his holding or having held a position that qualifies the defendant as an Indemnitee.

ARTICLE XV

Except as otherwise provided in the Texas BOC or other applicable laws, no Trust Manager or officer of the Trust shall be liable to the Trust for any act, omission, loss, damage or expense arising from the performance of his duty under the Trust save only for his own willful misfeasance, willful malfeasance or gross negligence. In discharging their duties to the Trust, Trust Managers and officers of the Trust shall be entitled to rely upon experts and other matters as provided in the Texas BOC.

ARTICLE XVI

(a) (i) No Person, other than an Excepted Holder (hereinafter defined), Beneficially (hereinafter defined) or Constructively Own (hereinafter defined) of the Aggregate Share Ownership Limit (hereinafter defined), shall Beneficially or Constructively Own Common Share Ownership Limit (hereinafter defined) and not be an Excepted Holder of the Trust.

Beneficially or Constructively Own Shares in excess of the Excepted Holder Limit for such Excepted Holder.

(ii) No Person shall Beneficially or Constructively Own Shares to the extent that such Beneficial or Constructive Ownership of Shares would result in the Trust being "closely held" within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year), or otherwise failing to qualify as a REIT (including, but not limited to, Beneficial or Constructive Ownership that would result in the Trust owning (actually or Constructively) an interest in a tenant that is described in Section 856(d)(2)(B) of the Code if the income derived by the Trust from such tenant would cause the Trust to fail to satisfy any of the gross income requirements of Section 856(c) of the Code). No Person shall Beneficially or Constructively Own Shares or change the jurisdiction of its residence to the extent that such Beneficial or Constructive Ownership of Shares or change of residence would result in the Trust failing to be a "domestically controlled" REIT within the meaning of Section 897(h)(4)(B) of the Code. No Person shall Beneficially or Constructively Own Shares to the extent that such Beneficial or Constructive Ownership of Shares would result in the Trust being a "pension held REIT" within the meaning of Section 856(h)(3)(D) of the Code.

(iii) No holder of any Shares may transfer any Share unless, at least 20 days prior to the proposed transfer, such holder shall notify the Trust, in writing, of the proposed transfer; such notification shall include the name of the proposed transferee of the Shares (the "Proposed Transferee") and the date of the proposed transfer; whenever it is deemed advisable by the Trust Managers in order to protect the status of the Trust as a REIT, the Trust Managers may require a statement or affidavit from each Proposed Transferee setting forth the number of Shares already owned by the Proposed Transferee and any Related Person and such other information as the Trust Managers may deem relevant to the determination of whether the proposed Transfer would adversely affect the qualification of the Trust as a REIT and, in connection therewith, if the proposed Transfer could, in the opinion of the Trust Managers, create a risk that the Trust would lose its status as (i) a REIT, (ii) as a "domestically controlled" REIT within the meaning of Section 897(h)(4)(B) of the Code, or (iii) as a REIT that is not a "pension held REIT" within the meaning of Section 856(h)(3)(D) of the Code, the Trust may prohibit such proposed Transfer of the Shares; the Trust Managers may take such action as they deem advisable to prevent or refuse to give effect to such a Transfer including, without limitation, refusing to give effect to the Transfer upon its books of any Shares acquired in connection with any such Transfer.

(b) If any Transfer of Shares (whether or not such Transfer is the result of a transaction entered into through the facilities of the NYSE or any other national securities exchange or automated inter-dealer quotation system) occurs which, if effective, would result in any Person Beneficially or Constructively Owning Shares in violation of paragraphs (a) of this Article XVI:

(ii) then that number of Shares the Beneficial or Constructive Ownership of which otherwise would cause such Person to violate paragraphs (a) (rounded to the nearest whole Share) shall be automatically, without further action on the part of any Person, deemed to be Transferred to a Charitable Trust (hereinafter deemed to be the

benefit of a Charitable Beneficiary (hereinafter defined), effective as of the close of business on the Business Day prior to the date of such Transfer, and such Person shall acquire no rights in such Shares; or

(iii) if the Transfer to the Charitable Trust described in paragraph (b)(i) of this Article XVI, would not be effective for any reason to prevent the violation of paragraphs (a)(i) or (a)(ii) of this Article XVI, then the Transfer of that number of Shares that otherwise would cause any Person to violate paragraphs (a)(i) or (ii) of this Article XVI, shall be void ab initio, and the intended transferee shall acquire no rights in such Shares.

(c) If the Board or any duly authorized committee thereof shall at any time determine in good faith that a Transfer or other event has taken place that results in a violation of paragraph (a) of this Article XVI, or that a Person intends to acquire or has attempted to acquire Beneficial or Constructive Ownership of any Shares in violation of paragraph (a) of this Article XVI (whether or not such violation is intended), the Board or a committee thereof shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Trust to redeem Shares, refusing to give effect to such Transfer on the books of the Trust or instituting Proceedings to enjoin such Transfer or other event; provided, however that any Transfer or attempted Transfer or other event in violation of paragraph (a) of this Article XVI shall automatically result in the Transfer to the Charitable Trust described above, and, where applicable, such Transfer (or other event) shall be void ab initio as provided above irrespective of any action (or non action) by the Board or a committee thereof.

(d) Any Person who acquires or attempts or intends to acquire Beneficial or Constructive Ownership of Shares that will or may violate paragraph (a) of this Article XVI or any Person who would have owned Shares that resulted in a Transfer (defined hereinafter) to the Charitable Trust pursuant to the provisions of paragraph (b) of Article XVI, shall immediately give written notice to the Trust of such event, or in the case of such a proposed or attempted transaction, give at least fifteen (15) days' prior written notice, and shall provide to the Trust such other information as the Trust may request in order to determine the effect, if any, of such Transfer on the Trust's status as a REIT or a "domestically controlled" REIT within the meaning of Section 897(h)(4)(B) of the Code.

(e) (i) Upon written request of the Trust, every Beneficial or Constructive Owner of more than 5% (or such lower percentage as required by the Code or the Treasury Regulations promulgated thereunder) of the outstanding Shares, within thirty (30) days after the end of each taxable year, shall give written notice to the Trust stating the name and address of such owner, the number of Shares and other Shares Beneficially or Constructively Owned and a description of the manner in which such Shares are held. Each such owner shall also give thirty (30) days' prior written notice to the Trust of any proposed change of residence to the extent any such change of residence would involve moving to a jurisdiction outside of the United States. Each such owner shall provide to the Trust such additional information as the Trust may request in order to determine the effect, if any, of such Beneficial or Constructive ownership on the Trust's status as a REIT or a "domestically controlled REIT" within the meaning of Section 897(h)(4)(B) of the Code and to ensure compliance with the Aggregate U.S. Investment Limit; and

(ii) each Person who is a Beneficial or Constructive Owner of Shares and each Person (including the shareholder of record) who is holding Shares for a Beneficial or Constructive Owner shall provide to the Trust such information as the Trust may request, in good faith, in order to determine the Trust's status as a REIT, as a "domestically controlled" REIT within the meaning of Section 897(h)(4)(B) of the Code, and as a REIT that is not a "pension held REIT" within the meaning of Section 856(h)(3)(D) of the Code and to comply with requirements of any taxing authority or governmental authority or to determine such compliance.

(f) Nothing contained in this Article XVI or Article XVII shall limit the authority of the Board to take such other action as it deems necessary or advisable to protect the Trust and the interests of its shareholders in preserving the Trust's status as a domestically controlled REIT.

(g) In the case of an ambiguity in the application of any of the provisions of this Article XVI or Article XVII, the Board shall have the power to determine the application of the provisions of this Article XVI or Article XVII with respect to any situation based on the facts known to it. In the event this Article XVI or Article XVII requires an action by the Board and this Declaration of Trust fails to provide specific guidance with respect to such action, the Board shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of this Article XVI or Article XVII.

(h) (A) Subject to paragraph (a)(ii) of this Article XVI, the Board in its sole discretion, may exempt a Person from the Aggregate Share Ownership Limit and the Common Share Ownership Limit, as the case may be, and may establish or increase an Excepted Holder Limit for such Person if:

(i) the Board obtains such representations and undertakings from such Person as are reasonably necessary to ascertain that no individual's Beneficial or Constructive Ownership of such Shares will violate paragraph (a)(ii) of this Article XVI;

(ii) such Person does not and represents that it will not own, actually or Constructively, an interest in a tenant of the Trust (or a tenant of any entity owned or controlled by the Trust) that would cause the Trust to own, actually or Constructively, more than a 9.8% interest (as set forth in Section 856(d)(2)(B) of the Code) in such tenant and the Board obtains such representations and undertakings from such Person as are reasonably necessary to ascertain this fact (for this purpose, a tenant from whom the Trust (or an entity owned or controlled by the Trust) derives (and is expected to continue to derive) a sufficiently small amount of revenue such that, in the opinion of the Board, rent from such tenant would not adversely affect the Trust's ability to qualify as a REIT, shall not be treated as a tenant of the Trust); and

(iii) such Person agrees that any violation or attempted violation of such representations or undertakings (or other action which is contrary to the restrictions of this Article XVI) will result in such Shares being automatically Transferred to the Trust in accordance with this Article XVI or Article XVII.

(B) Prior to granting any exception pursuant to paragraph (A), the Board may require a ruling from the Internal Revenue Service, or an opinion of counsel, in either case in form and substance satisfactory to the Board.

ARTICLE XVII

(a) Upon any purported Transfer or other event described in paragraph (b) of Article XVI that would result in a Transfer of Shares to a Charitable Trust, such Shares shall be deemed to have been Transferred to the Trustee as Trustee of a Charitable Trust for the exclusive benefit of one (1) or more Charitable Beneficiaries. Such Transfer to the Trustee shall be deemed to be effective as of the close of business on the Business Day prior to the purported Transfer or other event that results in the Transfer to the Charitable Trust pursuant to paragraph (b) of Article XVI. The Trustee shall be appointed by the Trust and shall be a Person unaffiliated with the Trust and any Prohibited Owner (hereinafter defined). Each Charitable Beneficiary shall be designated by the Trust as provided in paragraph (f) of this Article XVII.

(b) Shares held by the Trustee shall be issued and outstanding Shares of the Trust. The Prohibited Owner shall have no rights in the Shares held by the Trustee. The Prohibited Owner shall not benefit economically from ownership of any Shares held in the Charitable Trust by the Trustee, shall have no rights to dividends or other distributions and shall not possess any rights to vote or other rights attributable to the Shares held in the Charitable Trust.

(c) The Trustee shall have all voting rights and rights to dividends or other distributions to which such Shares are entitled with respect to Shares held in the Charitable Trust, which rights shall be exercised for the exclusive benefit of the Charitable Beneficiary. Any dividend or other distribution paid prior to the discovery by the Trust that Shares have been deemed Transferred to the Trustee shall be paid with respect to such Shares to the Trustee upon demand and any dividend or other distribution authorized but unpaid shall be paid when due to the Trustee. Any dividends or distributions so paid over to the Trustee shall be held in trust for the benefit of the Charitable Beneficiary for distribution at such times as may be determined by the Trustee. The Prohibited Owner shall have no voting rights with respect to Shares held in the Charitable Trust and, subject to Texas law, effective as of the date that Shares have been deemed Transferred to the Trustee, the Trustee shall have the authority (at the Trustee's sole discretion) (i) to rescind as void any vote cast, to the extent such Shares are entitled to vote, by a Prohibited Owner prior to the discovery by the Trust that Shares have been deemed Transferred to the Trustee and (ii) to recast such vote, to the extent such Shares are entitled to vote, in accordance with the desires of the Trustee acting for the benefit of the Charitable Beneficiary; provided, however, that if the Trust has already taken irreversible corporate action, then the Trustee shall not have the authority to rescind and recast such vote. Notwithstanding the provisions of this Article XVII, until the Trust has received notification that Shares have been deemed Transferred

into a Charitable Trust, the Trust shall be entitled to rely on its Share Transfer and other shareholder records for purposes of preparing lists of shareholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of shareholders.

(d) Within twenty (20) days of receiving notice from the Trust that Shares have been deemed Transferred to the Charitable Trust, the Trustee of the Charitable Trust shall sell the Shares held in the Charitable Trust to a Person, designated by the Trustee, whose ownership of the Shares will not violate the ownership limitations set forth in paragraph (a) of Article XVI. Upon such sale, the interest of the Charitable Beneficiary in the Shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and to the Charitable Beneficiary as provided in this paragraph (d) of Article XVII. The Prohibited Owner shall receive the lesser of (i) the price paid by the Prohibited Owner for the Shares or, if the Prohibited Owner did not give value for the Shares in connection with the event causing the Shares to be held in the Charitable Trust (e.g., in the case of a gift, devise or other such transaction), the Market Price (hereinafter defined) (or, in the absence of a Market Price, the Fair Market Value (hereinafter defined)) of the Shares on the day of the event causing the Shares to be held in the Charitable Trust and (ii) the price per Share (net of costs of sales) received by the Trustee from the sale or other disposition of the shares held in the Charitable Trust. Any net sales proceeds in excess of the amount payable to the Prohibited Owner shall be immediately paid to the Charitable Beneficiary. If, prior to the discovery by the Trust that Shares have been deemed Transferred to the Trustee, such Shares are sold by a Prohibited Owner, then (i) such Shares shall be deemed to have been sold on behalf of the Charitable Trust and (ii) to the extent that the Prohibited Owner received an amount for such Shares that exceeds the amount that such Prohibited Owner was entitled to receive pursuant to this paragraph (d), such excess shall be paid to the Trustee upon demand.

(e) Shares deemed Transferred to the Trustee shall be deemed to have been offered for sale to the Trust or its designee, at a price per Share equal to the lesser of (i) the price per Share in the transaction that resulted in such deemed Transfer to the Charitable Trust (or, in the case of a devise or gift, the Fair Market Value (or Market Price, if applicable) at the time of such devise or gift) and (ii) the Fair Market Value (or Market Price, if applicable) on the date the Trust, or its designee, accepts such offer. The Trust shall have the right to accept such offer until the Trustee has sold the Shares held in the Charitable Trust pursuant to paragraph (d) of this Article XVII. Upon such a sale to the Trust, the interest of the Charitable Beneficiary in the Shares sold shall terminate and the Trustee shall distribute all net sales proceeds of the sale to the Prohibited Owner.

(f) By written notice to the Trustee, the Trust shall designate one (1) or more nonprofit organizations to be the Charitable Beneficiary of the interest in the Charitable Trust such that (i) Shares held in the Charitable Trust would not violate the restrictions set forth in paragraph (a) of Article XVI in the hands of such Charitable Beneficiary and (ii) such organization must fit within the definition of a Charitable Beneficiary set forth in paragraph (d) of Article XXV.

(g) The Trust is authorized specifically to seek equitable relief, including but not limited to relief, to enforce the provisions of Article XVI and this Article XVII.
